Cuyahoga Community College (Tri-C®)
Online Associate of Arts Enrollment Process

As you weigh your college options, consider whether you want to take classes online or in person.

For in-person classes, follow the standard enrollment process at tri-c.edu/gettingstarted.

Interested in taking most or all of your classes online? Our Online Associate of Arts (AA) program may be for you! It's perfect for students who plan to transfer to a four-year institution to complete a bachelor's degree.

If you don't plan to complete a bachelor's degree, check out a list of other online and blended programs at tri-c.edu/onlineprograms.

If you're a current Tri-C student, it's easy to join the Online AA program.

Just email your S-Number to Andy Sokolich, and tell him you're interested!
