

SCHOLARSHIP PROCESS (2020-2021)

Students are welcome to apply for scholarships to help cover the cost of the Cleveland Codes Software Developers Academy.

Completely new to Tri-C?

New students, who have never taken a course at Tri-C, must call **866-933-5175** and leave a message with your name and phone number as many staff members are still working remotely. A customer service representative will return your call and help you to obtain an S#. Please ask the customer service representative how to obtain your password.

Not new, but don't remember your S#?

Please call **866-933-5175** and leave a message with your name and phone number as many staff members are still working remotely. A customer service representative will return your call, verify your identity, and then help you to retrieve your S#. Please ask the customer service representative how to reset your password if necessary.

Ready to apply?

Please visit www.tri-c.edu/scholarships and follow the steps below:

1. Click on "Apply for Scholarships" to begin your application.
2. Click "Sign In With Your Tri-C ID and Password".
3. Login with your Tri-C S# and password.
4. Complete all required areas of the online application.
 - a. When completing the essay, keep the punctuation very basic to avoid error messages.
5. Send an email to Latina.Johnson@tri-c.edu and Cc (carbon copy) Thandeka.Cox@tri-c.edu to confirm that you have completed and submitted your application. Please include your S# and the Course Reference Number (CRN) for the applicable course.
