Second Degree Anywhere*

Access ■ Affordability  
Success ■ Completion

### Did you know...?

<b>60%</b>	of associate degree earners are more likely to graduate with a bachelor's degree.
<b>30+</b>	colleges and universities have transfer agreements with Tri-C.
<b>1150+</b>	Tri-C students transferred to four-year schools after associate degree completion in 2019.
<b>Pathways</b>	Program-specific transfer pathways allow for efficient and affordable transition.
<b>Scholarships</b>	Some schools offer special transfer scholarships.
<b>Advising</b>	Pre-enrollment advising is included in most transfer agreements.

## Dual Admission Agreements

Through Dual Admission, students can be admitted to a four-year partner school while earning their associate degree. To learn more about the exciting opportunities and benefits of Dual Admission, visit [www.tri-c.edu/transfer](http://www.tri-c.edu/transfer).

## Earn Your Bachelor's Degree on a Tri-C Campus

Some partner schools offer courses for bachelor's degree completion, programming and advising on our campuses, saving students money in tuition and travel. Learn more: [www.tri-c.edu/bachelordegree](http://www.tri-c.edu/bachelordegree)

## Ohio Guaranteed Transfer Pathways (OGTPs)

These transfer pathways between Ohio public community colleges and four-year schools for specific majors are guaranteed to transfer.

These transfer pathways confirm that Tri-C courses meet academic major requirements and that credits will apply toward a bachelor's degree.

See our approved OGTPs: [www.tri-c.edu/ogtp](http://www.tri-c.edu/ogtp).
