

## CLEVELAND HUMANITIES COLLABORATIVE (CHC) TRANSFER PATHWAY

This chart identifies Tri-C courses that 1) fulfill general education requirements at both Tri-C and CWRU and 2) have prior approval for transfer to CWRU. This chart focuses on general education requirements specifically for the CHC Program.

CWRU has created a **Transfer Guide** that lists Tri-C courses that have been approved for transfer to CWRU, this contains many courses that can fulfill electives, but that may not fulfill Tri-C general education requirements. The **Transfer Guide** can be found at: <https://case.edu/ugstudies/students/transfer-guides/>.
