		14			15

Bachelor of Science Degree Awarded Total Hours: 120

This Transfer Pathway represents one example of how to complete an associate and bachelor degree. Students should work closely with advisors at both institutions to discuss options. A Franklin advisor can also assist students with developing a graduation plan for full- or part-time study.

***Course sequence may change based on the individual needs of the student and schedule type required.**

**** Students should complete the following mathematics course as part of the AA degree prior to transferring: MATH 1410**

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from **Franklin** University. A maximum of 94 credits transfer to **Franklin** from Tri-C. (Tri-C courses taken after associate degree completion may not be eligible for financial aid, see Counseling Center or Financial Aid Office for details.) We can utilize the Consortium agreement between Franklin University and Tri-C to assist students in using FAFSA aid to cover their additional Tri-C coursework beyond their associates degree.

All students must complete:

- A minimum of **120** semester credits (combined Tri-C and Franklin)
- Meet all residency requirements (**30** credits for **Franklin**)

This information is provided by both institutions solely for convenience and expressly disclaims any liability which may otherwise be incurred. This is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, each institution reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein.
