	15			**15**
Total minimum credits earned at both institutions	**120**	**Bachelor of Science in Business Administration Degree**		—

This Transfer Pathway completes the Associate of Arts degree, which must total at least 60 semester credits and includes 36 Ohio Transfer 36 (OT36, formerly OTM) credits which are approved Tri-C general education requirements. OT36 details can be found at https://www.ohiohighered.org/Ohio-Transfer-36.

#A student could replace these two courses by cross registering at JCU and taking EC 2210 (4 credits).
ᴵChoose any two of these three courses
*The OT36 Arts & Humanities requirement necessitates that students take coursework from two different subjects for the two requirements within this category.
**These courses are a part of the reduced core curriculum for transfer students with more than 45 earned credit hours. For specific details, please see http://sites.jcu.edu/core/pages/additional-integrative-core-policies/.

Additional Information:
Assumptions: college-level readiness in MATH and ENG; no Foreign Language Deficiency (FLD). NOTE-this is different from the Foreign Language Requirement (FLR) which is a requirement in the College of Liberal Arts and Social Sciences at John Carroll University (JCU).

JCU proudly participates in reverse transfer with Cuyahoga Community College (Tri-C) and hopes to make this transfer process as smooth as possible; learn more about the reverse transfer process at https://www.tri-c.edu/transfer/transfer-resources/reverse-transfer.html. Cross registration information can be obtained from the Registrar's Office at Tri-C. For more information, contact your campus Counseling Center or the JCU Admission Office at 216.397.4294.

John Carroll University requires a minimum of 120 total credit hours for graduation. At least 60 credits must be completed in-residence at John Carroll University. All general requirements, Core requirements, and all requirements for the major must be completed along with a quality-point average of at least a 2.0 for graduation. Students deficient in total credits or in-residence credits or in quality-point average requirements must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

This information is provided solely for the convenience of the reader, and John Carroll University expressly disclaims any liability which may otherwise be incurred. This publication is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, John Carroll University reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein.

This map represents one example of how to complete the Associate and Bachelor's degrees. Students should work closely with advisors at both institutions to discuss options.
