Our History

- Founded in 1804, Ohio University is the oldest public university in the state and ninth oldest not-for-profit university in the nation
- 11 campuses and centers across the state with enrollment of about 28,000 students
- Excellence in Nursing Education since graduating our first class in 1970
- First RN to BSN online program in Ohio

Quality.
Affordability.
Flexibility.
Convenience.

Quality and Affordability

- Ohio University is accredited by the Higher Learning Commission
- The RN to BSN program is accredited by the Commission on Collegiate Nursing Education
- Program can be completed for less than \$10k*
- Pay as you go – with options for financial aid!

*Total cost is for required nursing classes only. All tuition, fees and expenses are subject to change by action of the Board of Trustees.

**Free first nursing course is applied as a scholarship valued at the cost of course tuition and fees.

Flexibility & Convenience

- 100% Online coursework
- Available 24/7 via Blackboard
- No group work
- Course grades, not competency based
- 9 required nursing courses
- 5-week* nursing courses with 8 start dates per year
- Step in and out of the program with an average completion in 12-24 months
- Transfer friendly; no expiration date or cap limit to transferable course work

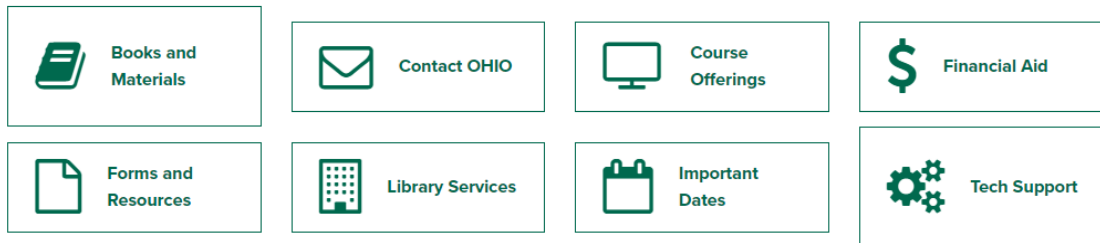

*NRSE 4600 is now a 7-week course

Student Support

- Dedicated academic advisors
- Nursing Knowledge Center
- Free online tutoring and writing resources
- Access to Health Sciences Subject Librarian
- LiquidCompass online job portal

- Completion of Foundations of Nursing I in an associate degree program

*Courses taken as nondegree are not eligible for financial aid

What Our Students Think

A nurse with long curly hair, wearing glasses and a white face mask, stands in a hospital hallway. She is wearing light blue scrubs and has her hands on her hips. The background is a blurred hospital setting with windows and a door.
