

3354:1-50-06 Youth Protection Policy.

- (A) The College recognizes the critical importance of protecting young people who participate in its programs. The College shall:
- (1) Establish and implement detailed procedures to screen all faculty, staff, volunteers, and subcontractors who are involved in programs involving youth.
 - (2) Provide training to all faculty, staff, volunteers, and subcontractors who are involved in programs involving youth including, but not limited to, College code of conduct, recognizing signs of suspected child abuse, and bullying prevention.
 - (3) Carefully supervise staff, young participants, programs/activities, and facilities in order to foster a safe environment.
 - (4) Develop and implement rules and regulations surrounding out-of-program contact that support the safety of the youth.
 - (5) Report suspected abuse in accordance with state and federal regulations.
- (B) The President or the President's designee is hereby directed to take all steps necessary and appropriate for the implementation of this policy.

Effective: July 8, 2011
