## Day section notes:

- 1. Exam times are determined by lecture class hours, not labs.
- 2. Final exams are taken in the classroom in which the class regularly meets.
- Students who would have three or more exams in one day should consult with their instructors.

## **Evening section notes:**

- Examinations for evening classes are to be scheduled during the week of finals and will meet during regular class times.
- 2. Regular weekend sections: Saturday and Sunday classes will hold final examinations on May  $9^{\text{th}}$  and  $10^{\text{th}}$
- \*\*Except for full-semester day sections, all classes meet for the complete number of weeks of their designated term, and the final is given during the last session of the last week of the term.
- If you have a room conflict, please go to your Associate Dean's Office. Any evening conflicts, please go to Adjunct Services for resolution
