# O V E R V I E W

A strong and competitive team is an enhancement to student life as well as an integral part of a student's educational experience. We strive to create an environment that encourages our players to develop academically, socially and athletically. Tri-C basketball supports a culture of playing together as a team rather than a group of individuals. We compete for every point, encourage our teammates and represent the College with effort, pride and sportsmanship on and off the court.
