Student Information

Access to Student Records

Tri-C, as part of its responsibilities to students, must maintain accurate and confidential student records. Tri-C recognizes the rights of students to have access to their educational records and to limit such access by others in accordance with the Family Educational Rights and Privacy Act (FERPA). These rights are documented in Tri-C's procedure on student education records.

Student records, with certain exceptions, will not be released without prior consent of the student. Students have the right to review and question the content of their educational records within a reasonable time after making a request for such a review. If there are any questions as to the accuracy or appropriateness of the records that cannot be resolved informally, an opportunity for a hearing on the matter is provided. Students wishing to review their educational records may apply to the appropriate Enrollment Center for details regarding Tri-C procedures designed to expedite their request.

Change of Address

Students are required to notify Tri-C of an address change. Updates can be made on *my Tri-C space*. A change of address does not automatically change residency status for the benefit of tuition charges. See the section titled "Residency Requirements" for information about changing residency status for tuition purposes.

Directory Information

Tri-C has designated the following information as directory information and will disclose this information without prior written consent unless otherwise instructed by the student: student name, address (local and home), program of study (including college of enrollment, major and campus), enrollment status (full time, part time, withdrawn), dates of attendance, degrees, honors, and awards received. The following will be disclosed for members of athletic teams only: previous educational institutions attended, participation in officially recognized activities and sports, weight, and height.

Students who wish to have this information kept confidential should contact the Enrollment Center.

First Year Experience

Cuyahoga Community College is committed to students successfully completing degrees, certificates, and transfer programs. This commitment is demonstrated by the mandatory First Year Experience requirement that is designed to provide the support, information, tools, and connections necessary for success. The First Year Experience includes three key touch points:

- **New Student Orientation** connects students to a counselor, helps them select the right courses, learn important steps for success, and identify a major or program. New Student Orientation is offered through the Counseling Office at all the campuses.
- **New Student Convocation** officially welcomes new students to the College prior to the start of their first semester. Convocation has two major goals: 1) to make certain that students understand the pace, rigor, and expectations of the College, and to provide advice on meeting these expectations; and 2) to connect students to the faculty and academic leadership in their major or program of study.
- **First Year Success Seminar** is a course offered during a new student's first semester. The course goals include: understanding key College processes and services; practicing academic success strategies such as time management and study skills; deepening connections to program faculty and staff; and creating an academic plan that leads directly to degree or credential completion.

My Tri-C Card Photo Identification

All Tri-C students are required to have a photo identification card called the My Tri-C Card. Cards are obtained at the Enrollment Center located on each campus upon registration. Cards are required for registration activities, library checkout, and admission to athletic, cultural and social events. Use of the My Tri-C Card also allows special discounts and incentives at all campus dining retail operations, Java Cities, vending machines, and the College Bookstores. Tri-C authorities may ask to see an ID card at any time; therefore, it is important that it is always with you. Cards are non-transferable. There is a \$10 charge to replace a My Tri-C Card.

my Tri-C space and Student Email

my Tri-C space (<https://my.tri-c.edu>) is a portal that provides the primary point of access, a virtual "front door," to resources students use on a regular basis. It includes links to registration, grades, financial aid, Blackboard, announcements, campus news, government websites, or group activities. The information is personalized and organized by headings, which is easily navigated. Each heading links to sub-headings that allow quick access to important information.

Tri-C issues each student an email account. It is accessible by logging in to *my Tri-C space* and selecting the Student heading and clicking on the Student email icon. You can view your Tri-C email address and update your personal

email address by going to the Student heading and selecting "Update My Personal Email." **Your Tri-C student email account is the official and primary communication method between Tri-C and students.**

For additional information about student email, please visit <http://itservices.tri-c.edu/network/student-email-with-office-365.html>.

Updating Student Information

my Tri-C space provides personal student information such as registration, student schedules, student records, Degree Works (Degree Audit Reporting System), grades, and financial aid information. Students are able to update personal information such as last name, address, phone, email, emergency contact, and academic major. Look for these options on the Student tab located in *my Tri-C space*.

If a vehicle must be left overnight, notify the department of Campus Police and Security Services. Tri-C is officially closed one hour after classes end. Citations may be paid by mail or in-person at any Enrollment Center. Appeals must be made within 10 days of the notice of violation by either coming to the department of Campus Police and Security Services or using the online parking appeal form located at: www.tri-c.edu/parking.

Counseling

The mission of the Counseling Department is to provide accessible counseling and advising services for current, former, and prospective students. Professional counselors at each of the campuses can assist students in:

- Clarifying academic and career goals.
- Mapping program of study and complementary experiences.

Student Affairs

- Developing strategies to build on strengths and to overcome barriers.
- Accessing available collegiate and community resources to support reaching these goals.

Academic, career, and personal concerns are addressed as appropriate and needed. Direct student services are provided through individual and group counseling, general studies courses, and student success workshops. The Counseling Department also conducts the orientation program for new students. Students are encouraged to meet with a counselor on a regular basis to facilitate progress from initial matriculation through program completion and graduation.

Career Centers

The Career Centers are a college-wide network committed to providing a variety of free services to support and prepare students with knowledge and skills that will guide them to achievement of their professional goals and dreams. Our students, alumni, veterans, dislocated workers, and community members have the opportunity to learn skills that will enable them to launch a successful job search through informative workshops and individualized career coaching. The Career Centers are located on each Tri-C campus and are staffed with experienced career coaches. The services provided at each career center include skills and interests assessments, co-op and internship identification and preparation, job shadowing program, career development and job coaching, job search preparation, online career tools, assistance with creating resumes and cover letters, interviewing preparation, and job acquisition assistance.

The Career Centers also partner with employers from all of Northeast Ohio to identify experiential learning opportunities, connect you with an employer to participate in a co-op or internship, and provide you with career-related resources. In addition, they provide linkages to other college-wide services for enrollment, financial aid, counseling, and transfer centers.

The Career Centers are your resource for all experiential learning and career-related needs. Visit www.tri-c.edu/careerservices for more information.

Veterans Affairs

Since 1963, Tri-C has provided veterans of the U.S. Armed Forces with access to affordable education and workforce training programs that allow them to transition successfully from military to civilian life. To date, more than 30,000 veterans and service members have attended Tri-C. The population of veterans in Northeast Ohio who are seeking higher education and workforce training is increasing. An estimated 1,000 service men and women and 500 reservists from the region are on active duty. Approximately 1,500 veterans have returned to Northeast Ohio over the past two years and approximately 5,000 veterans will return over the next four years. Of that number, there are 800 currently enrolled in courses at Tri-C.

Like other area schools, Tri-C stands ready to meet the needs of veterans through high quality traditional educational opportunities leading to associate degrees which often result in upward movement for many graduates to four-year degree programs.

Tri-C veterans services and programs are distinguished from other area college veteran programs because:

- Tri-C offers veterans wishing to quickly transition back to the workforce a variety of fast-track certification and degree programs that are aligned with Northeast Ohio workforce needs (e.g., manufacturing and applied technologies, skilled trades training, and health care).

- The Tri-C Veterans Upward Bound Program has a 35+ year history of providing support services to eligible veterans not yet ready for college to complete preparatory coursework, develop academic skills, and remain enrolled in and graduate from post-secondary education.
- Tri-C is committed to professional development that enables Tri-C faculty, staff, and administrators to address veteran transition issues.
- Tri-C is committed to serving the families of veterans. During 2015-2016, Tri-C hosted six major events for military families. Family support and outreach is critical in that it is often a family member who helps a veteran make the decision to return to school.

Through Tri-C's Veterans Initiative and its Veterans Services & Programs Office, Tri-C continues in its commitment to enhance its outreach to veterans and their families and to customize its support services to serve those who have served so proudly. Education and support services include:

- Benefits acquisition (GI Bill)
- Veterans Upward Bound Program
- Veterans Today Club
- Registration and enrollment support
- Assessment and counseling
- Special classroom needs (ACCESS)
- Occupational career programs
- Baccalaureate transfer/liberal arts curriculum
- Bachelor's degree completion
- Post-degree professional certificates
- Apprenticeship programs/ Applied Industrial Technology
- Career planning
- Scholarship opportunities
- Student Life outreach and activities

Phi Theta Kappa

Phi Theta Kappa is the international honor society for students in community colleges. The purpose of Phi Theta Kappa is to recognize and encourage scholarship among two-year college students. To achieve this purpose, it provides opportunities for the development of leadership and service, an intellectual climate for exchange of ideas and ideals, lively fellowship for scholars, and stimulation of interest in continuing academic excellence.

Phi Theta Kappa's mission is two-fold: 1) recognize and encourage the academic achievement of two-year college students; and 2) provide opportunities for individual growth and development through participation in honors, leadership, service, and fellowship programming. Society membership opens opportunities for competitive national and regional scholarships, including more than \$37 million in transfer scholarships available at over 700 four-year colleges and universities. Visit www.ptk.org and www.ohioptk.org for more information.

Tri-C has four chapters: Alpha Epsilon Eta (East), Alpha Zeta Delta (Metro), Chi Omega (West) and Beta Upsilon Beta (Westshore). Students are invited to join the society based on completion of at least 12 credits at the 1000-2000 level with a cumulative GPA of 3.5 or better. A one-time membership fee helps to support chapter activities as well as the regional and national organizations.

Interested students should contact the faculty advisor at their respective campus; contact information can be found on the Tri-C Phi Theta Kappa website: www.tri-c.edu/ptk.

The Cuyahoga Community College (Tri-C) Foundation was chartered in 1973 as a 501(c)(3) charitable organization. The mission of the Tri-C Foundation is to create funding opportunities for scholarships and educational program development and enhancement at Cuyahoga Community College.

Thanks to the continued financial support by business partners, corporations, foundations, governmental agencies, friends, Tri-C employees, alumni, and philanthropic organizations throughout the area, the Tri-C Foundation provides scholarships to many outstanding students with financial need. The need is greater than ever for enhancing access to higher education for many students in our community who without some financial aid cannot access or continue their education.

Both the Tri-C Foundation and the College work closely with the community to build strong partnerships and seek financial support for development and enhancement of educational programs in response to workforce and student needs.

For more than 50 years, investments in Tri-C have paid immense dividends. Tri-C is the largest community college in Ohio, serving more than 60,000 students each year on its campuses, at multiple off-campus sites, and through online learning.
