

Community Continuing Education's International Adventure Road Series!

Note: All are welcome to refresh their foreign language skills! However, these courses are designed with the assumption that the student has no academic background or otherwise, in the target language.

French Language & Culture for the Traveler

Fee: \$169 (includes text)

Bon Voyage! Use this French class to prepare for your next trip! Learn cultural etiquette, traditions, tourist attractions, and key phrases to use in your travel for activities, dining, asking questions and directions, greeting people, dealing with hotel and transportation personnel, medical emergencies, and conducting basic business transactions. We will use the target language to increase comprehension and usage of basic grammatical structures. We will introduce you to French culture through the context of food, travel, sports and shopping. ***Instructor: Tim Byrns***

International Travel Tips

Fee: \$29

From passport to packing checklist, we will help you prepare for your next international trip. This course will review passports, visas, how and when to book your travel, what to pack, currency and exchange rates, public transportation, and customs and immigration. An extra bonus is the mini-intensive-language lesson which will take you from airport, to hotel, to ordering wine and food from your country's menu.
