Have You Considered Enrolling for the Summer Semester?

Have you considered enrolling for the Summer 2017 semester? There is still time to complete your 2016-2017 [FAFSA](#). Stop by one of our offices to get assistance with the application or attend one of our [FAFSA Completion Days Workshop](#)!

Some students may qualify for federal financial aid for summer semester. Take advantage of this opportunity so that it can get you even closer towards graduation!

Students who were not enrolled for full-time coursework during the Fall or Spring semesters may have aid eligibility left to help fund for summer courses. There may be a portion of the Federal Pell grant left to assist in summer tuition and fee charges. The Ohio College Opportunity Grant is a form of state assistance that can also be used but this may vary based on eligibility. Students may also consider applying for a federal student loan to help cover additional costs.

If you would like to create a year-long financial aid plan or if you would like to learn more about the various forms of summer financial aid options available to you, please contact 216-987-6000, Option #2 to schedule an appointment.

Did You Know?

The 2017-2018 Maximum Pell Grant award is \$ 5,920.

Get Ready for Fall 2017-2018! It's right around the corner. Registration begins April 17, 2017!

Learn More About Federal Loan Repayment Options

Repayment of your federal student loans will begin approximately 6 months after you graduate, withdraw, or attend less than 6 credit hours. Did you know that there were several different types of student loan repayment plans?

Check out below on the various types that may be more feasible with your financial situation. All of this information is available 24/7 on the [National Student Loan Data System's](#) website.

Click on each option to find out more information.

A Few Tips Regarding Federal Student Loans

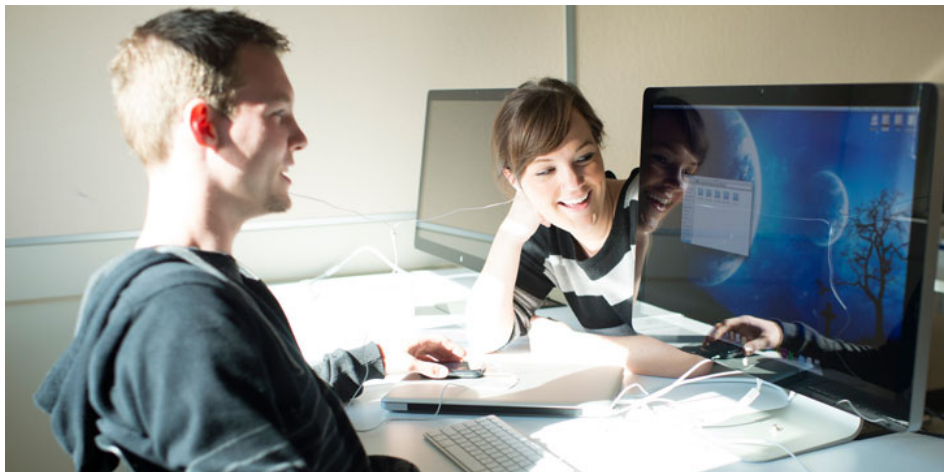

- Sign up for automatic withdrawal to avoid missing your student loan payment
- Connect with your loan servicer if you are experiencing financial hardships or if there is a change in your demographics
- Avoiding defaulted loan status
- Learn about deferment options if you plan to enroll at a different higher education institution.

College Now of Greater Cleveland

[College Now Greater Cleveland](#), formerly known as Cleveland Scholarship Program, is an organization that can help Cleveland Area students with their financial needs. College Now offers advising at their Resource Center and at community venues on financial topics, including:

- Assistance with completing FAFSA (Free Application for Federal Student Aid) for federal, state, institutional and private grants, loans and scholarships
- Solving burdensome financial issues and counseling individuals on the best resolution based on their unique circumstances
- Resolving existing student loan issues such as default recovery/loan rehabilitation, deferment, forbearance, consolidation, income-based repayment and loan forgiveness
- The advisors focus on helping students achieve a goal of securing maximum financial aid with minimal loan debt.

College Now Greater Cleveland has a team of college access and financial aid experts who can help schools build their capacity for preparing students for college and career. College Now is the only college access and success organization with advisors staffed in over 80 Greater Cleveland schools throughout the academic year. With grade-level appropriate programming for 6th–12th graders, College Now advisors work to make sure that students are prepared for all aspects of their postsecondary education.

College Now also has a team of advisors specially trained to meet the needs of adult students. Adults pursuing higher education face a unique set of obstacles, and College Now can provide guidance on educational options, financial aid counseling as well as counseling about existing student debt and repayment options. College Now provides a variety of services to adults ages 19 and older for free.
