Work Study at Tri-C

The Work Study Program at Cuyahoga Community College (Tri-C®) provides you with meaningful work experience through a variety of job opportunities. You can earn money by working part-time at either the College or at an approved off-site non-profit organization. Whenever possible, your work experience can be related to your educational program and career objectives.

Work Study employment is federally funded and is part of your financial aid package. Funds are awarded on a first-come, first served basis to financial aid recipients.
