

Credit Card Service Fee FAQs (Updated Oct 1, 2015)

SERVICE FEE INFORMATION

Effective July 15, 2014, a 2.4 percent service fee will apply to all payments made by credit card for Cuyahoga Community College (Tri-C®) credit and non-credit tuition, fees and other student account charges. These changes are being made to more fairly distribute the high cost of credit card acceptance that the College incurs. With the implementation of the service fee, only those who pay by credit card will assume the cost of the fee, rather than being included in increased charges for all students.

Starting October 1, 2015 credit card payments will no longer be accepted in person at the enrollment centers due to changing regulations that affect Cuyahoga Community College. Credit card payments are processed through *my Tri-C space*. Visa, MasterCard, Discover and American Express will be accepted. You can avoid paying the 2.4 percent service fee by paying online or at a campus kiosk with an e-check (ACH bank transfer from checking or savings account). Payments by cash, check or money order may be made in person at any campus Enrollment Center.

FREQUENTLY ASKED QUESTIONS

WHAT IS A SERVICE FEE?

Organizations that accept credit cards as a method of payment are charged an “interchange fee” by credit card providers. This is separate from any interest or finance charges that cardholders pay when carrying a balance on the card. The service fee will cover only the amount of credit card interchange fees assessed by credit card companies and will go to the credit processing entity.

WHAT CREDIT CARDS DOES TRI-C ACCEPT?

The College accepts Visa, MasterCard, Discover and American Express. If you need help paying with a credit card on *my Tri-C space*, please contact the Enrollment Center at 216-987-6000 or come to any campus Enrollment Center.

WHY IS TRI-C CHANGING THE PROCESS FOR ACCEPTING CREDIT CARDS?

After careful review, Tri-C is implementing this service fee due to increasing operational challenges and the increasing cost of processing credit cards. Because these processing costs have been borne by the entire College and reduce funding available for College programs and services, the increasing cost of processing payments by credit cards has unfairly penalized students who paid by other methods. This fee will allow Tri-C students to continue having a credit card payment option.

WHY IS THE SERVICE FEE 2.4 PERCENT? HOW WAS IT ESTABLISHED?

The service fee covers the credit card transaction fees assessed by credit card companies. The amount is established by the credit card processing companies.

DO OTHER HIGHER-EDUCATION INSTITUTIONS CHARGE A SERVICE FEE?

Yes. Many colleges and universities across the country have implemented a service fee structure.

IS THERE ANY WAY I CAN AVOID PAYING A SERVICE FEE?

OFTEN I RECEIVE CHECKS FROM MY CREDIT CARD COMPANY. CAN I USE THE ROUTING NUMBER AND ACCOUNT NUMBER ON THESE CHECKS TO MAKE AN E-CHECK PAYMENT?

The service fee is not refundable even if the payment to which it relates is canceled, refunded, credited or charged back.

WILL THE SERVICE FEE THAT I AM CHARGED SHOW UP ON MY STUDENT ACCOUNT BILL?
