

3354:1-30-02 Policy on access to learning.

- (A) The College shall facilitate access to affordable educational opportunities and services.
- (B) The College shall develop, implement and evaluate comprehensive, systematic strategies and utilize data to attract students and link them to resources that enable them to be successful in realizing their academic and career goals.
- (C) The College shall strive to eliminate financial and other barriers that may impede student success in achieving academic and career goals.
- (D) The College shall protect against improper access to information by ensuring that the methods of collecting, reviewing, transmitting or storing information about students are in compliance with federal, state and local regulations.
- (E) The College shall establish, publish and enforce standards for entry into its limited access programs.
- (F) The President or the President's designee is hereby directed to take all steps necessary and appropriate for the effective implementation of this policy.

Effective date: July 31, 2006
