

PROGRAM OUTCOMES

ACCOUNTING

1. Communication. Communicate financial and related information both verbally and in writing, relative to their skill level with internal and external constituents, both inside and outside the field.
2. Soft Skills. Work collaboratively, professionally, ethically, to pursue the corporate objectives in a manner that is within the appropriate professional code of conduct.
3. Accounting Skills. Perform accurately and apply fundamental accounting process to properly record ordinary business transactions culminating with draft financial statements.
4. Technology Skills. Utilize office suite including spreadsheets, database, word processing, presentation, and enterprise-wide technology to optimally perform the daily accounting tasks.
5. Problem Solving/Research. Recognize when inaccuracies or other issues arise, research alternatives, and proactively suggest solutions.
