

Health Careers APPLICATION PROCESS ROADMAP

01 STEP

Apply to Tri-C

- Go to www.tri-c.edu/apply to identify your steps to apply.
- Attend New Student Orientation and participate in Tri-C's First Year Experience (if applicable)
- Register for classes.

02 STEP

Health Career Exploration

- Explore the list of health career programs and related information at www.tri-c.edu/healthcareers.
- Check program specific admission requirements, program status, program sequence, and complete MyPlan.

03 STEP

Develop a Health Career Program Admissions Plan

- Meet with a Tri-C academic counselor to develop a plan for completion of program prerequisites.
- Complete clinical observation hours or volunteer experience and program prerequisites as required by the program.

04 STEP

Apply to Your Program of Interest

- Submit a Health Careers Program application and any other required paperwork to the Metro Health Careers Enrollment Center (MHCS 126).
- Please note: The health careers programs have a selective admission process and separate applications and requirements. Admission to Tri-C does not guarantee admission to a health career program.*

05 STEP

Program "On-Boarding"

- Acceptance letters will be sent to accepted students.
- Check your e-mail regularly for updates on your program admission.
- Mail "letter of intent" to secure your position to your program manager.
- Complete criminal background check (BCI) within six months of entering the program
- Attend the mandatory program orientation session.
- Notify program manager in writing, if your plans to enroll change prior to start date.

Details about the process can be found at <http://www.tri-c.edu/BCI>

Metropolitan Campus

Health Careers and Sciences Building (MHCS)
Health Careers Enrollment Center, Room 126
2900 Community College Ave.
Cleveland, OH 44115

It is important that you keep and maintain this document through the On-Boarding process.
