

# Honors Courses

---

Honors courses at Cuyahoga Community College are based upon a commitment to college, scholarship, and community.

Honors courses are designed for students with higher academic potential. These students may also qualify for acceptance into the Honors Program. The program is designed to produce graduates with advanced communication and critical thinking skills, along with a heightened appreciation for diverse cultures and points of view. Scholarship opportunities are also available based on exceptional academic achievement.

For more information on the Honors Program and Honors courses, including eligibility, please visit [www.tri-c.edu/programs/honors](http://www.tri-c.edu/programs/honors) or contact:

## Eastern Campus:

**Mr. John Panza**

**(216) 987-2047**

**[john.panza@tri-c.edu](mailto:john.panza@tri-c.edu)**

## Metropolitan Campus:

**Mr. David Bernatowicz**

**(216) 987-4544**

**[david.bernatowicz@tri-c.edu](mailto:david.bernatowicz@tri-c.edu)**

## Western Campus:

**Ms. Amy Cruickshank**

**(216) 987-5496**

**PHIL 101H** Honors Intro to Philosophy  
CRN 82106 TTh 10:30-11:45 am

**PSY 101H** Honors General Psychology  
CRN 82139 TTh 12:00-1:15 pm

\*\*Registering for CHEM 130H also requires that students also take CHEM 130L. For additional information about CHEM 130H, contact Professor Lois Hansen-Polcar at 216-987-5497 or [lois.hansen-polcar@tri-c.edu](mailto:lois.hansen-polcar@tri-c.edu) (WEST) or Professor Ormond Brathwaite at 216-987-2401 or [ormond.brathwaite@tri-c.edu](mailto:ormond.brathwaite@tri-c.edu) (EAST).

## 179H OPTION

All 1000-level honors courses have a one-hour 179H add on available. Please see specific schedule or contact your honors coordinator for more details.

## 182H/282H OPTION

Qualified students can also discuss with faculty the possibility of developing an honors independent study course to meet their needs; these 182H or 282H courses are available in any subject area at the college. Please contact one of the honors coordinators for info about these independent study opportunities.
