

Dr. Anthony Adkisson, is the Sr. Manager of Program Services for Towards Employment. As Sr. Manager, Anthony oversees Career Pathways program for adults reentering society from incarceration. The program offers wraparound services such as case management, technical training, and career coaching to individuals with barriers to employment. In his role, Anthony also oversees staff supervision, curriculum development, identification and tracking of key performance metrics, management of WIOA funded contracts, and oversight of AmeriCorps programming. Prior to joining TE, Anthony was the Director of Education for the AIDS Taskforce of Greater Cleveland, and served 6 years as a Trainer and Manager of Education & Training for Planned Parenthood of NE Ohio. He obtained his M.Ed. in Adult Education from Cleveland State University, and holds a BA in Psychology and African American Studies, both from Ohio State University. In 2016 he completed his doctorate through CSU, in Urban Education with a specialization in adult learning and workforce development.
