Each international student applicant who is applying to Cuyahoga Community College and is attending a U.S. high school (as an F1 visa holder only), college, university or English language institute must submit this International Student's Transfer Recommendation, in addition to official transcripts of grades/performance reports. Please forward this form to the appropriate office or person (usually the International Student Advisor) at your school for completion. Your signature indicates you are giving permission to answer the questions below. **This report is a necessary part of your application to Cuyahoga Community College.**

The Family Education Rights and Privacy Act of 1974, as amended, (P.L. 93-380), allows a candidate for admission to waive his or her right of access to confidential letters or statements written in his or her behalf if the recommendation is used solely for the purposes of admission, and if the candidate, upon request, is notified of the names of all persons making such a recommendation on his or her behalf. The College does not require that you make such a waiver as a condition for admission. However, under the legislation you have the option of signing such a waiver as follows: I do do not waive my right of access to this recommendation and any appropriate attachments in behalf of my application for admission to Cuyahoga Community College. This waiver is effective insofar as the recommendation is used solely for the purpose of admission. (Note: if you do not make a selection, your signature will be taken as your consent to waiving your right of access to this recommendation.)
