2017 Cuyahoga County Veterans Scholarship Criteria

Thanks to the generosity of the Cuyahoga County Executive and the Cuyahoga County Council, the Tri-C Veterans Initiative has been awarded an allotment of dollars from the Cuyahoga County Veterans Fund for use as **ONE-TIME** scholarships to assist student veterans, military affiliates (spouses and dependents, spouses and dependents of disabled veterans), and Active Duty and Reserve personnel *who no longer have any military-related educational benefits left*.

These scholarship dollars can be used for **both** credit and non-credit courses (workforce certification courses), books and supplies. Awards will be made on a first come, first served basis as this is a limited, one-time allotment of dollars.

In all instances the applicant must have the following completed: be registered for classes with Tri-C, current student ID, and student ID number. Applicants must have completed the FAFSA application process, and have utilized all current Pell funding before this scholarship is approved.

If approved, the scholarship dollars will be credited directly to your student account. Unused dollars will remain as a balance on your student account. **No refunds will be issued.**

All applications will be reviewed for accuracy and verification of supporting documents before the decision to award or not award a scholarship is made (see below). Applicants will be notified via their Tri-C College e-mail address of their award application status (either approved or disapproved).

The Cuyahoga County Veteran Scholarship application can be downloaded from the Tri-C Veterans Website (www.tri-c.edu/veterans), or picked up at any one of the campus Veterans Service Offices.
