March 2018 Edition

Greetings and welcome to this the March 2018 edition of *Front Lines*, the unofficial newsletter of Cuyahoga Community College's Veterans Initiative Program. Here is a very full look at what is happening...

Tri-C is Military Spouse Friendly: Tri-C has again been named a Military Spouse Friendly® School for its commitment to serving those married to active duty service members and veterans. Tri-C received the honor for the second consecutive year from Victory Media, publisher of G.I. Jobs and other publications serving the military community. Just over 150 schools across the nation earned the designation. In November, the College received a Military Friendly School from Victory Media for the ninth consecutive year. Tri-C also was ranked as a Top 10 school for veterans and their families.

FAFSA - Get ahead of the game and submit your 2018-19 FAFSA! Call us at [216-987-4938](tel:216-987-4938) to schedule an appointment or to have your financial aid questions answered. Filing near or after the deadline may affect your access to Financial Aid. Note also that the new Ohio College Opportunity Grant (OCOG) requires that you have filed for FAFSA to be eligible for this grant.

2018 Cuyahoga County Veteran General Scholarship Available: Thanks to the generosity of the Cuyahoga County Executive and the Cuyahoga County Council, the Tri-C Veterans Initiative has been awarded an allotment of dollars from the Cuyahoga County Veterans Fund. In turn these funds are being used to create scholarships to assist student veterans, military affiliates (including spouses and dependents of disabled veterans), and Active Duty and Reserve personnel **who no longer have any military-related educational benefits remaining or has exhausted all funding sources (partial GI-Bill, FTA, FASFA-Pell grant, OCOG).**

This **non-refundable** scholarship will be distributed as **one award per semester** and can be reapplied for the following semester if funds remain. *You cannot apply twice for an award in the same semester.* Scholarship dollars can be used for **both** credit and non-credit courses (workforce certification courses) and books. Awards will be on a case-by-case basis for students that are full time or part time. If approved, the scholarship dollars will be credited directly to your student account.

You will have an option to select \$500 **or** \$1,000 scholarship. You may **either** directly apply the funds towards your tuition **or** have the amount desired separated into tuition and book money. *If you opt into separating your chosen amount this decision cannot be reversed.* In all instances the applicant must have, the following completed: Must be an active and registered Tri-C student (current student photo ID and student ID number) and ready to register for classes for the semester of scholarship use. Students that receive FASFA-Pell and/or Ohio College Opportunity Grant (OCOG) must have exhausted those benefits before being considered for this scholarship. Check www.tri-c.edu/veterans to download a copy of the application, or stop by your respective campus Veterans Service Office. All applications will be reviewed on a case-by-case basis.

See Your Certifier: As noted during previous semesters, those of you planning on using GI Bill benefits need to see the GI Bill Certifying Officer at your respective campus Enrollment Center Office (West, Westshore & Corporate College West – Kristen Ibanez, Metro – Della Hilbert, East – Vanessa Traylor and Maria Oriti). Remember that anytime you are registering for a semester, adding a class, or dropping a class, you need to be seeing your respective GI Bill Certifier. You should also be stopping by your respective Counseling Office to insure you are tracking with your academic plan. Let's stay ahead of the game!

Ready for Employment Boot Camps: As the end of the semester is not far off, many of you have already begun exploring post-graduation employment options. How ready are you to begin the transfer from student veteran to the workforce? Is my resume in the right order? Does it read too much like a military OP order? How do I respond to questions about my military service in a job interview, especially if the interviewer has no experience in dealing with veterans?

The answers to those questions are ready to be found at the Veterans Initiative's **Ready for Employment Boot Camps**. In these lunch time workshops, you'll learn about the tips and lessons learned from retired Marine Gunny Bryan McGown. McGown is the founder of Gunnyret, an employment and job coaching firm focused exclusively on working with veterans as they transition from battlefield, to blackboard, and on to employment.

The workshop schedule is as follows:

March 23	Corporate College West	Room 109 – 1 st Floor
March 28	East Campus	Lerner Veterans Center/ESS - 2 nd Floor
April 5	West Campus	West Student Services/G 210 – 2 nd Floor
April 11	Metro Campus	Metro Veterans Center/MSS 500 – 5 th Floor

All workshops begin at noon and last approximately an hour-and-a-half. A light lunch will be served. For further information call (216) 987-3193.

Veteran Campus Support Teams at the Ready: An important reminder to all that the Cuyahoga Community College Veteran's Initiative has been organized in an effort to provide a broader range of services to you. Part of that re-organization has been the development of Veteran Campus Support Teams. The Veteran Campus Support Teams are comprised of specialists from key departments which data tracking has shown are those departments in which veterans require services.

Those departments include:

- GI Bill Certification
- Counseling
- Financial Aid
- Recruiting
- ACCESS (disability Enrollment Services)
- Key Career Transition Centers
- Veterans Education Access Program

As noted, the documented experience of the Veterans Initiative has shown that these are the major areas of inquiry from our student veterans. A complete list of your respective Campus Veteran Support Team members is found on the Veterans' website at: www.tri-c.edu/veterans

Veterans Education Access Program – At the Ready: The Veterans Education Access Program (VEAP) at Tri-C provides FREE comprehensive support services to eligible veterans who need additional help in Math, English and Science to complete their first degree. If you are enrolled or have been placed in a remedial Math or English course and are in need of additional help in these areas, please call the VEAP main office at 216-987-4938 to schedule an appointment with our Student Advisor. Classes begin soon, so do not delay! Check out the [VEAP website](#).

Stress Resources Available: Starting a new semester of school can be stressful enough. Add to that the transition to the home front issues and things can get a little overwhelming. For those who bear the burden of transition and/or post-traumatic stress—whether Veteran or family member—VA has a wide range of [resources available to help](#). Additionally, the Veteran Combat Call Center is available 24/7 at 1-877-927-8387.

Volunteerism

Here are some great opportunities to put your military experiences to work benefiting others in need.

National Park Service Volunteer Opportunities: Make a vital contribution to Cuyahoga Valley National Park (CVNP) and our community! You can help the park fulfill its mission to provide visitor enjoyment and preserve resources. The mission of CVNP's Volunteers-in-Parks Program is to engage people in the park, building a community of park stewards. The volunteer program is co-managed by the National Park Service and the Conservancy for Cuyahoga Valley National Park. Depending on the volunteer position, volunteers will work with staff from National Park Service, the Conservancy for CVNP, Countryside Conservancy, and Cuyahoga Valley Scenic Railroad. The American Red Cross' unwavering commitment to members of the U.S. military, its veterans and their families continues to grow and develop more than a century after Clara Barton first recruited nurses to support the U.S. Army. Today, the Red Cross is meeting the needs of changing military and expanding services to veterans. Red Cross support of military members and their families enhances morale and contributes to increased operational capability in several ways. Cleveland Municipal Court's Veterans Treatment Docket needs volunteers – preferably military veterans to help Veterans transition to a successful life. If you are interested in volunteering to help our veterans successfully re-enter civilian life, please contact Derek Moore at (216) 664-4712 or via email at moored@cmcoh.org for additional information.

Needed: 'A few good mentors': The Cuyahoga Common Pleas Veteran Treatment Court (VTC) is a judge-monitored treatment program for military veterans. A key component of the program is volunteer Veteran Mentors who volunteer their time to help veterans re-adapt to civilian life. For more information, visit their [website](#).

Applying for Benefits

First-time users of educational benefits must complete the 22-1990 form at www.vets.gov/education/apply/.

The VONAPP system (old 22-1990 site) still contains other important forms such as compensation, pension, vocational rehabilitation, employment, burial benefits, change in place/training and dependent application for VA benefits.

Do not use forms 22-1990N or 22-1990E to apply for Post 9/11 GI Bill, CH30 or CH1606. The 22-1990N is for National Call to Service only. The 22-1990E is for family members to use transferred benefits.

MAKE THE CONNECTION

Launched in 2011, Make The Connection.net connects Veterans, their family members and friends, and other advocates with mental health information, local resources, and inspiring stories of recovery.

Flu Season is here with a vengeance! Veterans protect yourselves and get a NO COST flu shot!

The cold and flu season is upon us and the Department of Veterans Affairs has once again teamed up with Walgreens Pharmacies nationwide to allow all veterans who are currently enrolled in the VA healthcare system to be able walk into any of the over 8000 Walgreens nationally (and the Duane Reade pharmacies in the New York metropolitan area) to receive a vaccination **at no cost**. Vaccinations will be available through March 31, 2018.

Veterans wishing to receive the no cost vaccination simply need to present a Veterans Identification Card and a photo ID, at any participating Walgreens to receive the vaccination. The Group ID is: **VAFLU**

In addition, after the Walgreens pharmacist administers the vaccine Walgreens will transmit that information securely to VA where it becomes part of the patient's electronic medical record. VA is committed to keeping Veteran patients healthy, and during this flu season, vaccination is the best way to prevent the spread of flu. No matter where you live, visit your local VA clinic or Walgreens to get a no cost flu shot.

- To find your local VA, visit va.gov/directory/guide/home.asp.
- To locate a Walgreens store near you, call 800-WALGREENs (800-925-4733), or go to com/findastore.
