

Peter Anderson

Manager, Network Services

Peter Anderson has worked in the department of Information Technology Services at Cuyahoga Community College (Tri-C®) since 2002, where he has held the positions of Network Technician, Network Security Analyst, and Manager – Network Services.

Anderson earned a bachelor's degree from the College of Wooster and has 12 years full-time experience with enterprise and personal computers, networks and security. His experience is in enterprise systems integration in the private and public sectors, but he is passionate about technology and also enjoys speaking with home computer users on topics including what computer equipment to buy, how to buy it, how to use it, and how to maintain it.

Speech Topics:

- **Enterprise systems (professional audiences)**
- **What home computer equipment meets your needs? And, how to use and maintain your home computer equipment. (non-professional audiences)**
