SOC-1010*	Introductory Sociology	3
	Total Credits	13
PROGRAM TOTAL IS 64 CREDIT HOURS		

This is the recommended semester sequence for the GM ASEP program.

- *Prior to starting the fall semester, prospective students can complete **general education classes** to reduce their course load for the cohort and allow dismissal at midday. Students who need these general education classes can anticipate afternoon sections that combine both the Ford ASSET and GM ASEP cohorts together.
- **AUTO-1101 may be waived for career technical education or work experience, per the program director.

GM ASEP Program Sequence

gm asep

- Follow a fixed class schedule,* beginning each fall (day classes only)
- Alternate between Tri-C classes and dealership employment (eight weeks)
- Secure and maintain employment for a 22-month paid internship at a dealership (recommended hire by June 1)
- Train on modern vehicles using manufacturer-specific diagnostic equipment and software
- Complete 64-credit-hour Associate of Applied Science degree
- Boost your employability by earning your own GM credentials and real-world skills

ESTIMATED PROGRAM COST (without scholarships or financial aid)

Cost of Attendance	In-County	Out-of-County
Books and Supplies	\$1,700	\$1,700
Tuition	\$9,000	\$10,805
TOTAL	\$10,700	\$12,505
