

Welcome to Tri-C Digital Course Access!

Congratulations on your enrollment in Tri-C Textbook Access Program - Tri-C Digital Course Access. To preserve student choice and promote student savings, Tri-C has partnered with your campus bookstore to provide this program so you will have access to all required course materials on day one of class at prices not available elsewhere.

If you decide you do not want to purchase the course materials provided as part of the program, use the Cuyahoga CC Customer portal to opt out. It will take you to this screen:

A screenshot of the Cuyahoga CC Customer Portal login interface. The left side features a blue-tinted image of students with the text "Cuyahoga CC Customer Portal" overlaid. The right side is a white login form with fields for "Email" (containing "example@abc.com") and "Password". Below the password field is a "Remember me" checkbox. A blue "LOG IN" button is centered below the form. At the bottom, there are links for "Forgot Password?" and "Create an Account".

IMPORTANT!

If you opt out, you will be responsible for obtaining the required course materials on your own. Once you have opted out, you will only be able to opt in for a short period of time and receive the special pricing that is part of the program.

If you would like to proceed with opting out, please activate your account and follow the instructions in the customer portal.
