Additional semester for students without State Licensure in an allied health field¹			
Concentration Electives	12	■	(at least 7 cr hrs must be Upper Division)
131-143 TOTAL CREDIT HOURS TO COMPLETE BS FROM KSU INCLUDING TRANSFER COURSEWORK			

Course sequence may change based on the individual needs of the student and schedule type required.

*Recommended for transfer

** Min C grade

New college students may be required during their first semester to participate in GEN 1070, First Year Success Seminar, a one credit hour course. See a Tri-C Counselor for details.

¹ At their time of admission, a student must submit a copy of their state licensure to an academic advisor in the College of Public Health. State licensure must be valid through the student's graduation term. Students who submit a copy of their state licensure may be granted 12 hours of upper division credit.

@ Course may be taken at Tri-C and transferred to Kent State. However, please be aware of Kent State's residence policy, which can be found in the Kent State University Catalog. Once an associate degree is earned, additional courses taken at Tri-C may not be eligible for financial aid. Please see Financial Aid for details.

Graduation Requirements

Requirements to graduate with the BS degree program: To graduate, students must have minimum 120 credit hours, 39 upper-division credit hours of coursework, a minimum 2.000 major GPA and minimum 2.000 cumulative GPA. They must also fulfill an approved experiential learning experience, a two-course diversity requirement (domestic and global), complete a writing intensive course with a minimum C (2.000) grade. More specific graduation requirement information can be found in the Academic Policies section of the Kent State University Catalog (www.kent.edu/catalog).

This information is provided solely for the convenience of the reader, and KSU expressly disclaims any liability which may otherwise be incurred. This publication is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, KSU reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein.

It is recommended that students intending to pursue the Bachelor of Science in Public Health through Kent State University consult with academic advisors at both Cuyahoga Community College and Kent State University.
