Student Rights and Responsibilities

Student Conduct Code
The Student Conduct Code is established to support the mission of Tri-C, to foster the scholarly and civic development of students in a safe and secure learning environment, and to protect the people, property, and processes that support the College. The Student Conduct Code identifies prohibited conduct and clarifies when the code applies to student behavior. The Student Conduct Code is closely related to the Student Judicial System procedure, which sets forth the penalties imposed for prohibited conduct and establishes the disciplinary process for alleged violations.

The Student Conduct Code and Student Judicial System may be found in the Student Handbook referenced in the Student Rights and Responsibilities section above.

Attendance
Regular class attendance is expected. Tri-C is required by law to verify the enrollment of students who participate in federal Title IV student aid programs and/or who receive educational benefits through other funding sources. Eligibility for federal student financial aid is, in part, based on your enrollment status.

Students who do not attend classes for the entire term are required to withdraw from the course(s). Additionally, students who withdraw from a course or stop attending class without officially withdrawing may be required to return all or a portion of the financial aid based on the date of last attendance. Students who do not attend the full session are responsible for withdrawing from the course(s).

Tri-C is responsible for identifying students who have not attended a course, before financial aid funds can be applied to students’ accounts. Therefore, attendance will be recorded in the following ways:

- For in-person and blended-learning courses, students are required to attend the course by the 15th day of the semester, or equivalent for terms shorter than 5-weeks, to be considered attending. Students who have not met all attendance requirements for in-person and blended courses, as described herein, within the first two weeks, or equivalent, will be considered not attending.
- For online courses, students are required to login in at least two (2) times per week and submit one (1) assignment per week for the first two (2) weeks of the semester, or equivalent to the 15th day of the term. Students who have not met all attendance requirements for online courses, as described herein, within the first two weeks, or equivalent, will be considered not attending.

At the conclusion of the first two weeks of a semester, or equivalent, instructors report any registered students who have “Never Attended” a course. Those students will be administratively withdrawn from that course.

However, after the time period in the previous paragraphs, if a student stops attending a class, wants or needs to withdraw, for any reason, it is the student’s responsibility to take action to withdraw from the course. Students must complete and submit the appropriate Tri-C form by the established withdrawal deadline.

Tri-C is required to ensure that students receive financial aid only for courses that they attend and complete. Students reported for not attending at least one of their registered courses will have all financial aid funds held until confirmation of attendance in registered courses has been verified. Students who fail to complete at least one course may be required to repay all or a portion of their federal financial aid funds and may be ineligible to receive future federal financial aid awards. Students who withdraw from classes prior to completing more than 60 percent of their enrolled class time may be subject to the required federal refund policy.

If illness or emergency should necessitate a brief absence from class, students should confer with instructors upon their return. Students having problems with class work because of a prolonged absence should confer with the instructor or a counselor.

Emergencies, Catastrophic Events and Severe Weather Closings
Tri-C is committed to providing students with the maximum number of scheduled instructional days possible. In the instance of an emergency, catastrophic event, or severe weather conditions, Tri-C initiates a procedure to determine if classes can continue as scheduled.

Three criteria determine if classes will be held: 1) the municipalities and State Department of Transportation can confirm prior to 6 a.m. that the main roads and highways will be accessible; 2) local governments and/or Homeland Security alert status; 3) Campus Plant Operations can confirm that all buildings have heat, water, sufficient parking areas, and clear access routes to campus buildings. If these three criteria can be fulfilled, classes will be held. Emergency closing announcements...
will be broadcast over local television and radio stations and their websites. The Tri-C website and my Tri-C space will also announce closing information. Closing announcements will also be distributed as a Tri-C Alert, with a phone call or text message to the Alert number provided by employees and students. This message will always come from 1-866-989-ALRT(2578). In order to receive a call or text, you must have provided an updated Alert number in your personal information. Look for this option on the My Info channel located on the Student tab of my Tri-C space. Note: Anyone who has opted out of the Tri-C Alert system will not receive notification from the college.

Student Right-to-Know and Campus Security Act
Tri-C complies with all federal regulations concerning the Student Right-to-Know and Campus Security Act. For specific information contact your Campus Police and Security Services office or visit the Campus Police website at: [http://www.tri-c.edu/administrative-departments/campus-police/](http://www.tri-c.edu/administrative-departments/campus-police/).

Academic Information

Advanced Placement Exams
The State of Ohio, working with public institutions of higher education, has initiated policies to facilitate the ease of transition from high school to college, as well as between and among Ohio’s public colleges and universities.

Beginning in the Fall term 2009:

- Students obtaining an Advanced Placement (AP) exam score of 3 or above will be awarded the aligned course(s) and credits for the AP exam area(s) successfully completed.
- General Education courses and credits received will be applied towards graduation and will satisfy a general education requirement if the course(s) to which the AP area is equivalent fulfill(s) a requirement.
- If an equivalent course is not available for the AP exam area completed, elective or area credit will be awarded in the appropriate academic discipline and will be applied towards graduation where such elective credit options exist within the academic major.
- Additional courses or credits may be available when a score of 4 or 5 is obtained. Award of credit for higher score values varies depending on the institution and academic discipline.

In academic disciplines containing highly dependent sequences (Sciences, Technology, Engineering and Mathematics - STEM) students are strongly advised to confer with the college/university advising staff to ensure they have the appropriate foundation to be successful in advanced coursework within the sequence.

A complete list of all the AP Credit Awards at Cuyahoga Community College can be found at: [https://transfercredit.ohio.gov/ap/3?1579363519374](https://transfercredit.ohio.gov/ap/3?1579363519374).

Change of Major Field of Study
Students may change their major field of study anytime during their enrollment at Tri-C. Students are able to update their academic major by submitting changes through my Tri-C space. It is suggested that students check with a counselor before changing majors.

Prior Learning Procedure
Prior Learning is defined as academic credit awarded to registered students upon demonstration of knowledge equivalent to that gained through a college course. A student must be currently enrolled in a minimum of 12 semester credit hours, or have completed a minimum of 20 semester credit hours, at Tri-C and be in good standing (maintain a minimum 2.0 GPA) before applying for prior learning credit. Students may obtain a maximum of 30 semester credits through one, or a combination, of the recognized options for Prior Learning. Awarded Prior Learning will not affect a student’s grade point average or quality points. Also, the awarded Prior Learning will not substitute for the required 20 semester credits of residency needed for college graduation. Standardized methods of evaluation are used to measure a student’s demonstrated knowledge of a subject area. Upon completion, the student will be awarded the same academic credit as that designated for the course. The student should see a counselor for any additional requirements.

Prior Learning Options
Recognized options under which Prior Learning may be awarded include:

**College Level Examination Program (CLEP)** - The CLEP includes general and subject-specific exams in a variety of areas. Tri-C will award comparable academic credit to students for successful completion of the CLEP general and subject area examinations. Official transcripts must be submitted to the Enrollment Center with a letter requesting the posting of CLEP credit. For information on testing sites and exam options, see the CLEP website: [https://clep.collegeboard.org/](https://clep.collegeboard.org/)

**DANTES Subject Standardized Tests** - DANTES is a group of standardized tests originally developed for the voluntary education programs of the U.S. Armed Forces. The tests have now been made available for civilian use.
These civilian tests are administered through Educational Testing Services.

**American Council on Education (ACE)** - ACE makes policy recommendations and facilitates credit award decisions for alternative educational experiences, offering guidance to colleges and universities on how to evaluate and award credit for these experiences. Examples include

- **Military Training Credit**
  Prior learning credit can be awarded for education a student received while a member of the U.S. Armed Forces. For more information, see ACE’s “Transfer Guide: Understanding Your Military Transcript and ACE Credit Recommendations” at [www.acenet.edu](http://www.acenet.edu).

- **Standardized Training and Certification Programs**
  Prior learning credit can also be awarded for numerous standard training and certification programs. For more information, see ACE’s “National Guide to College Credit for Workforce Training” at [www.acenet.edu](http://www.acenet.edu).

**Credit by Exam (CBE)** - There are many courses offered at Tri-C for which Prior Learning may be awarded by a student’s taking and passing a comprehensive exam on the course subject. CBE for a particular course may be taken only once. For more information, schedule an appointment with a counselor for an overview of CBE.

**Bypass Credit** - Bypass Credit may be awarded for learning attained through documented, valid academic and/or equivalent work experience, including professional certification/licensing and completion of formal training programs. Formal training programs include, but are not limited to, hospital-based and corporate education where requisite knowledge, skills, and competencies are documented. For more information, schedule an appointment with a counselor for an overview of the Bypass Credit process.

**Cross-Registration**
Qualifying full-time Tri-C students (currently registered for 12 or more credits) may register for one course per semester during the regular academic year, on a space-available basis, at any of the institutions participating in the Cross-Registration Program. Area colleges and universities participating in this program are Baldwin Wallace College, Case Western Reserve University, Cleveland Institute of Art, Cleveland State University, John Carroll University, Kent State University, Notre Dame College, Ursuline College, and Youngstown State University. These host institutions waive tuition and general fee charges for courses taken as part of the Cross-Registration Program. However, Tri-C students are billed for the number of credits taken at the host institution using the Tri-C tuition rate once confirmation of registration is received from the host institution. Tuition and fees assessed for a Cross-Registration Program course will be equal to tuition and fees paid by other Tri-C students with the same total number of credits and residency status.

Participation must be approved by Tri-C and the availability of the course must be verified by the host institution. Program applications and registration information are available in the Enrollment Center on each campus. Cross-registration is not available during the Summer Session.

**Online and Blended Learning**
As an alternative to the traditional classroom environment, Tri-C also offers more than 800 distance learning courses. For students who are self-directed and motivated, distance learning can be a flexible and effective way to earn college credit. Students must be able to use a computer, navigate the Internet, and use email to successfully complete a course.

Registration procedures and cost per credit are the same as on-campus courses. For more information about Online and Blended Learning courses:

- Visit [www.tri-c.edu/onlinelearning](http://www.tri-c.edu/onlinelearning).
- For assistance with online learning technology, please call: 216-987-4257.
- Email elearning@tri-c.edu.

Instructional modes used for the delivery of Distance Learning courses include:

**Online**
Online courses use Blackboard, an Internet-based learning management system, for course delivery and assignments.

- The Blackboard course site is available 24/7.
- Students should access the course daily.
- Information regarding on-campus requirements and proctored testing is available at [www.tri-c.edu/onlinelearning](http://www.tri-c.edu/onlinelearning).
- Students must use Tri-C email. It is the official and primary method of communication between you and the College.
- Students must be able to use a Web browser and modify their settings relating to security, pop-ups, and firewall settings.
- Students should know how to create, modify, and attach documents.
- Students should know how to save, upload, and download files.

**Proctored Testing**
Proctored testing may be required in some Online and Blended Learning courses, particularly Math courses. A “suitable proctored environment” is an environment directly monitored by an instructor, testing center administrator or other learning provider, in a physical or virtual setting and approved by faculty. While proctors must be approved by the instructor, some suitable proctors may include Tri-C Assessment Centers, other
Distance Learning

Smart CLASS formerly known as Cable College allows students to take credit courses and choose whether to participate “live” in a classroom through cable television and the Internet or watch replays at their convenience online.

- Smart CLASS courses are broadcast on Tri-C’s SmartTV and video streamed on the SmartTV Web site at: http://www.tri-c.edu/online-learning/smart-tv.html.
- Students enrolled in Smart CLASS are able to replay their courses at any time at: http://tricsmarttv.pegcentral.com.
- SmartTV is Cuyahoga Community College’s television station and is broadcast on Time Warner cable’s digital channel 195 (must have cable box or a digital TV to view) in the City of Cleveland, on Cox Cable digital Channel 216 in the following communities: Broadview Heights, Brooklyn Heights, Fairview Park, Lakewood, Olmsted Falls, Olmsted Township, Parma, Parma Heights, Rocky River, Seven Hills, and on Brunswick Area Television Channel 24.

Independent Learning (IL)

Independent Learning courses are designed as alternatives to on-campus classroom instruction, offering maximum scheduling flexibility for students interested in independent study.

- Students complete assignments from the text and study guide and complete exams on-campus.
- IL courses require viewing videos or listening to audios. Course materials are available at Tri-C libraries, some for checkout. Some programs are available for purchase at the Tri-C Bookstores.
- Some video programs are available on the Internet through Video on Demand (VoD), requiring Windows Media Player and a high-speed (cable or DSL) connection to the Internet.
- It is recommended students attend on-campus seminars, offered via closed-circuit television to enable participation from any Tri-C campus, which provides an opportunity for class discussion and course review.

DegreeWorks

The DegreeWorks System is a software tool which significantly eases the academic advising process for students. DegreeWorks compare academic program requirements against a student’s academic history. The resulting report lists courses taken that apply toward graduation, courses yet to be taken, and courses that do not apply to the program major. The ability of both students and staff to obtain this information is part of an effective academic advising program.

Grading System

A (Excellent-4pts.): A grade of “A” indicates that a student has demonstrated excellent academic performance; it carries a weight of four quality points for every credit of the course in which the grade is earned.

B (Good-3pts.): A grade of “B” indicates that a student has demonstrated good academic performance; it carries a weight of three quality points for every credit of the course in which the grade is earned.

C (Average-2pts.): A grade of “C” indicates that a student has demonstrated average academic performance; it carries a weight of two quality points for every credit of the course in which the grade is earned.

D (Below Average-1pt.): A grade of “D” indicates that a student has demonstrated below average academic performance; it carries a weight of one quality point for every credit of the course in which the grade is earned.

F (Failure-0pts.): A grade of “F” indicates that a student has failed to demonstrate minimal academic performance; it carries a weight of zero quality points for each credit of the course in which the grade is earned.

P (Pass-0pts.): A grade of “P” indicates that a student has passed and completed a course; it carries a weight of zero quality points for each credit of the course in which the grade is earned. “P” represents “C” or better work. The credits earned are awarded, but are not included in the computation of a student’s cumulative grade point average.

NP (No Pass-0pts.): A grade of “NP” indicates that a student has not passed and completed a course; it carries a weight of zero quality points for each credit hour of the course in which the grade is earned. “NP” represents “D” or “F” work; however, the “NP” is not included in the computation of a student’s cumulative grade point average.

AU (Audit-0pts.): A notation of “AU” indicates that a student was granted permission to register for a credit course and attend that course on an audit basis with no academic credits to be awarded. A student may not
convert registration from credit to audit status or audit to credit status after classes begin.

I (Incomplete-0pts.): A notation of “I” indicates that a student has not completed all course requirements as a result of circumstances judged by the instructor to be beyond the student’s control. A student must complete all course requirements no later than the end of the sixth week of the academic term following the semester in which the “I” was noted. Failure to complete such requirements will result in an “F” (Failure) grade.

I/E: I (Include) and E (Exclude) course symbols: A course considered eligible for repeat is one that is an identical course (number, title and credits) or one officially identified as equivalent by the College Catalog (effective Fall 1998). Specialized courses with allowable accrued credits will be considered for repeat calculations only upon written request and validation by the appropriate academic area of identical topic repeat.

NA (Never Attended): Never attended is reported when a student has never attended a class in person or logged on to a class that is electronically delivered. When reported as never attended, the student is dropped from the course.

T (Transfer Credit): A notation of “T” indicates that a student has been awarded credit for course work which has been evaluated and accepted in transfer from another institution of higher education in accordance with Tri-C’s policy on transfer credit from other institutions. The transfer credits awarded shall not be included in the computation of a student’s cumulative grade-point average.

USF (Military Physical Education Credit-0pts.): “USF” indicates awarded credit in recognition of physical education training received by a student who has served on active duty in the military services of the U.S. for at least 365 days as documented on the student’s DD214.

W (Withdrawal-0pts.): A notation of “W” indicates a student’s withdrawal from a course in accordance with Tri-C’s withdrawal policy.

WF (Withdrawal for Stopped Attending-0 pts.): A grade notation of “WF,” noted with a specific date, indicates that a student stopped attending class on the noted date. “WF” will count in attempted hours, carries a weight of zero quality points, and will be calculated into GPA as such. It indicates a student’s failure of the course due to stopped attending.

APR (Academic Progress Reporting): Academic Progress Reporting is reported for the purpose of informing students how they are doing with regard to meeting the course requirements at the approximate midpoint of the course. The grades of either “S” (Satisfactory) or “U” (Unsatisfactory) are assigned by faculty. Students are encouraged to make an appointment to see a counselor if a “U” grade is received in any course. Student can view their (current term only) APR grades via My Tri-C space on the Student Tab. APR grades do not appear on the student’s permanent record.

Articulation & Prior Learning

Grading

AC (Articulation Credit)
ACE (American Council on Education)
AP (Advanced Placement)
BYP (Bypass)
CBE (Credit by Examination)
CEL (Council for Adult and Experiential Learning)
CLP (College Level Examination Program)
HAC (High School Articulation Credit)
TPC (Tech Prep Credit)
SLC (Service Learning Credit)

A notation of “ACE,” “AP,” “BYP,” “CBE,“ and/or “CLP” indicates that credit has been awarded by Tri-C as a result of a student’s successfully passing a college-wide equivalency exam or other recognized method of prior learning assessment. No quality points will be awarded for credits earned through successful completion of appropriate examinations, and the credits earned will not be included in the computation of a student’s cumulative grade point average. Any awarded Prior Learning does not count towards the 20-hour residency requirement for graduation.

Grade Point Average

Grade point average (GPA) is a measure of scholastic performance. It is computed by dividing the sum of the total quality points earned by the total units of credits (quarter or semester) attempted. The following example illustrates the computation of GPA:

\[
\text{GPA} = \frac{\text{Total Points}}{\text{Total Credits}}
\]

\[
\begin{array}{ccc}
\text{Grade} & \text{Points} & \text{Credit} \\
A & 4 & 3 \\
B & 3 & 3 \\
C & 2 & 4 \\
F & 0 & 3 \\
\end{array}
\]

\[
\text{GPA} = \frac{13}{13} = 2.23
\]

Grade point average can be computed for any given semester or for the total of all credits attempted. When a grade point average is computed for the total of all of the credits attempted, it is referred to as the cumulative grade point average.

Courses in which the letter symbols S, U, P, NP or the action symbols AC, BYP, CCT, CEL, HAC, TCP, USF, AU, W, CBE, I, IP, T, ACE, AP, CLP, USAF are noted will not be included in the computation of a student’s grade point average.

Students who receive official permission to postpone an examination are assigned an “I” (Incomplete) as the grade for that course. STUDENTS MUST PERSONALLY REQUEST AN INCOMPLETE GRADE FROM THEIR INSTRUCTORS. It is not granted automatically.
Incomplete grades can be removed by completing the examination or other requirements no later than the end of the sixth week of the following academic term. Failure to do so will result in an “F” (Failure) grade.

**Academic Probation or Dismissal**

A student will be placed on probation if her/his cumulative grade point average is less than shown below:

<table>
<thead>
<tr>
<th>Total Semester Credits Attempted</th>
<th>Cumulative Grade Point Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-11 inclusive</td>
<td>.75</td>
</tr>
<tr>
<td>12-29 inclusive</td>
<td>1.50</td>
</tr>
<tr>
<td>30-50 inclusive</td>
<td>1.75</td>
</tr>
<tr>
<td>51 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

A student will continue on probation until attaining the cumulative GPA listed above, as long as term GPA is 2.00 or higher.

A student placed on academic first probation (P1) at the end of Fall semester will be required to participate in one of the following Student Success Probation Interventions in order to register for courses the following Fall.

A student placed on academic first probation (P1) at the end of Spring or Summer semester will be required to participate in one of the following Student Success Probation Interventions in order to register for courses the following Spring:

- Online “Student Success Probation Workshop”;
- Academic First Probation appointment with a Counselor

A “hold” will be placed on the student’s account prohibiting registration. Once the student has participated in one of the Student Success Probation Interventions, the “hold” will be expired and registration will be permitted.

A student will be dismissed when these four conditions are met:

- Twelve or more semester credits have been attempted at Tri-C.
- Student has been on the academic status of Probation for two consecutive semesters at Tri-C.
- Cumulative GPA is less than shown in the chart under Academic Probation
- Term GPA is less than 2.0.

**Readmission after Academic Dismissal**

A student who has been dismissed from Tri-C must petition for academic re-admission. The first time a student has been academically dismissed from Tri-C, he or she will not be permitted to enroll for the next semester. A student dismissed for a second or subsequent time will not be permitted to enroll for two semesters.

A Petition for Readmission form must be submitted at least ten (10) business days prior to the start of the semester. Forms can be obtained from the Enrollment Center or Counseling Office.

Upon readmission after academic dismissal, students must:

- meet with a counselor;
- complete an academic plan; and
- register for no more than two courses as recommended by a counselor.

Once readmitted, the academic status is “Second Probation.” The student must maintain a 2.0 grade point average in the courses taken after readmission.

**Pass/No Pass Grade Option**

An alternative to a letter grade (A, B, C, D and F) is the Pass/No Pass grade option which allows students to earn credits for a course without the penalty of a grade impacting their grade point average.

A Pass (P) grade is awarded for A, B or C work in the course. A No Pass (NP) grade is awarded for D or F work. A student can elect up to 12 credits taken as Pass/No Pass to fulfill degree requirements at Tri-C. Whereas audited courses do not transfer, Pass/No Pass courses may transfer to another college or university. Check with the receiving institution on their transfer policy concerning Pass/No Pass.

**Considerations before selecting a P/NP Grade:**

Some restricted/selective admission programs require traditional letter grades (A, B, C, D) for their core course requirements. Courses used as prerequisites or core courses for Health Career and Nursing programs must have a traditional letter grade. The P/NP grading option for prerequisites and core courses will not be accepted by the Health Career and Nursing programs. Students are responsible for consulting with their program manager or counselor to determine Pass/No Pass grading options.

The P/NP grade option cannot be converted back to a letter grade nor can a letter grade option be converted to the P/NP option after the 100% refund period. If a letter grade is required for a course taken as Pass/No Pass, the course must be retaken.

College Credit Plus students are not eligible to utilize the Pass/No Pass option.

Courses taken Pass/No Pass count toward financial aid enrollment requirements.

**Auditing a Course**

Auditing a course means that a student attends classes but is not required to submit assignments or take examinations. Students, therefore, receive neither a grade...
Academic Information

nor course credit. Students must indicate their intention to audit a course on a separate audit form to be completed during the audit registration period. The auditing fee is the same as for a student regularly enrolled for credit. Credit courses or Pass/No Pass courses cannot be converted to audit status nor can audited courses be converted to credit status or Pass/No Pass status after audit registration ends.

Tri-C students are permitted to audit one or more courses. Careful consideration is advised before auditing a course. When uncertain whether to audit a course, students should see a counselor. Registration for auditing a course or courses must be completed through in person registration only. The audited courses may be added on the dates published in the semester Enrollment Guide. View at www.tri-c.edu/student-resources/enrollment-guide.html.

Honors Program

Tri-C offers an Honors Program that provides an academically rewarding and enriching learning experience for all qualified students. The Honors Program is separate from, but complements, the Phi Theta Kappa Honors Society. Students in the Honors Program are invited to participate in various cultural events, co-curricular experiences, and Honors colloquia to supplement the Honors classes they take as part of the Program. Membership is free and scholarships are available. Students intending to transfer to a four-year institution after completing their coursework at Tri-C are especially encouraged to consider the Honors Program. More information, qualification criteria, and the online membership application can be found on the Honors Program website: www.tri-c.edu/honors. The Assistant Dean-Honors and Experiential Learning Programs and the campus Honors Faculty Coordinators listed there are available to assist by phone, email, or in person.

Academic Honors: Dean’s List

The Dean’s List recognizes students whose academic achievements are considered outstanding. The list includes all students who have earned a grade point average of 3.50 or greater while completing 12 or more credit hours during the preceding term.

Graduation with Honors

Candidates for associate degrees who demonstrate outstanding academic achievement graduate from Tri-C with honors. Graduation with honors is conferred upon candidates as follows, based upon their cumulative grade point average:

- Cum laude (with honors): 3.50 – 3.69
- Magna cum laude (with great honors): 3.70 – 3.89
- Summa cum laude (with highest honors): 3.90 – 4.00

Honors designations are based solely upon coursework completed at Tri-C, including grades that have been recalculated or forgiven under other policies. Honors candidates are recognized in the Commencement Guide at each ceremony based upon coursework completed prior to their final term of enrollment. Following completion and verification of all degree requirements—including final term courses—honors designations are inscribed on diplomas and are noted on official transcripts.

General Graduation Information

The Office of the Registrar is responsible for identifying students who have met all the requirements for degree or certificate programs at Cuyahoga Community College. Once those students have met requirements, they will be graduated. Students will receive an email from the Office of the Registrar to their Tri-C email account once a graduation petition is submitted. This email will confirm that the student has registered for the necessary courses, and, pending successful completion of those courses, they can expect to receive their diploma(s) or certificate(s) at the end of the semester. Once those courses have been completed successfully, students will be graduated. Graduates will receive their diploma(s) or certificate(s) through the U.S. Postal Service based on the address on file with the College.

Repeating a Course

Students who have received credit for a course with a grade of “D” or higher or “P” may only repeat a course one additional time to improve the grade and receive federal financial aid funds for that course. When an identical course is repeated, the highest grade will be used in computing the cumulative grade point average. “P” and “NP” courses are not counted toward grade point average calculations. Federal financial aid funds may be used only one time to repeat previously passed courses.

Credit for courses will be awarded only once in the semester in which the highest grade was awarded for the course, unless the course description specifically states that additional credit may be earned.

Students planning to transfer to another college or university are cautioned that the receiving institution may use ALL grades earned to compute a grade point average for admission purposes. Also, since repeating a course may have an adverse effect on financial aid eligibility, students are urged to consult with the Student Financial Aid & Scholarships Office and a counselor before repeating a course.

Fresh Start – GPA Adjustment Procedure for Student Success

The Fresh Start Procedure allows Tri-C to consider a GPA adjustment for Tri-C students who have received failing grades. This procedure is not applicable to those students previously awarded this consideration.
For detailed information, contact the Counseling Office at 216-987-6000.

**Transcripts of Grades**

Student Academic Performance Information is available on my Tri-C space under the Student tab/Academic Records channel. Students can view this unofficial educational record at any time. Academic Progress Reports and Final Grades are available on dates indicated in the Academic Calendar. Students must file all grade disputes within 60 calendar days after the disputed grade is recorded. Students may request official academic transcripts via my Tri-C space, Student tab. Students receive one free transcript upon graduation.

**Withdrawal**

Students may withdraw from any semester course prior to the end of week 12 of the full semester or 80 percent of any instructional part of semester. Specific withdrawal dates and refund deadlines are available:

- in the semester Enrollment Guide;
- on the “Paying for College” tab on my Tri-C space;
- in any Enrollment Center

Students must withdraw online or submit a withdrawal form at the Enrollment Center. Students may also withdraw by letter or fax sent directly to the Enrollment Center. The postmark of the letter or date of the fax determines the refund amount.

Fax numbers for the Enrollment Centers:

- East: 216-987-2214
- Metro: 216-987-3283
- West: 216-987-5071
- Westshore: 216-987-5294

When withdrawing by letter or fax, request must include:

- Name
- Student Tri-C ID number
- Phone number
- Semester of the course being dropped
- Course number(s)
- Student’s signature

The refund schedule for all parts of semester and the Summer Session is determined in proportion to the full semester schedule as established by College procedure.

Withdrawal from a course prior to the last day of the second week of the semester will have no notation made in permanent records; withdrawal thereafter will be noted with a “W.”

Regular class attendance is expected. Tri-C is required by law to verify the enrollment of students who participate in Federal Title IV student aid programs and/or who receive educational benefits through other funding sources. Tri-C is responsible for identifying students who have not attended or logged into a class for which they are registered. At the conclusion of the first two weeks of a semester, instructors may report any registered students who have “Never Attended” a class so that those reported students will be administratively withdrawn from that class. However, it is the student’s responsibility to withdraw from any class which he or she is no longer attending or risk receiving a failing grade in that class. Students wishing to withdraw must complete and submit the appropriate Tri-C form by the established withdrawal deadline.

Withdrawals related to student conduct are administrative withdrawals processed by the Dean of Student Affairs.

All transactions involving withdrawal from courses shall be done in writing and on forms provided by Tri-C or through electronic means. A student’s failure to attend classes shall not constitute an official withdrawal.

**Petition for Withdrawal Exception**

Beyond week 12 or 80 percent of any instructional part of semester, a student who is unable to complete the current semester for reasons beyond her/his control (such as an emergency medical condition or other extenuating circumstances) may petition for a withdrawal exception by completing a Withdrawal Exception Petition and submitting substantiating documentation to the Enrollment Center. Submission of a Petition for Withdrawal Exception does not guarantee approval. A recommendation by the committee to approve a request must also have the appropriate instructor and academic dean’s approval when the student has received a final grade. A recommendation by the committee to deny a request is final. The Withdrawal Exception Review Committee meets monthly to review petitions. Students must submit a Withdrawal Exception Petition within 30 days of the end of the academic semester for consideration.

**Academic Support Services**

**Cooperative Education/Experiential Learning**

The Cooperative Education (Co-op) Program supplements formal classroom education with actual on-the-job experience in a variety of academic disciplines, typically within the timeframe of an academic semester. Co-op assignments are at least 180 hours where students receive pay for the work they do, earn academic credit for documented learning derived from their experiences, and are evaluated by employers and the co-op instructor. Students may earn a maximum of nine credits for cooperative work experience, which may be applied toward certain degree requirements.

Two types of co-op work schedules are available: part time and full time, either of which can be coordinated
Academic Information

with academic schedules.

To participate in the Cooperative Education work experience program, students must:

- Be currently enrolled at least part-time (6 credit hours or more) at Tri-C, except for Summer term co-ops or when the co-op is the final needed degree requirement.
- Be working toward a Tri-C degree or program certification.
- Have completed 12 or more credits of college-level coursework, transfer credits included.
- Have successfully completed (“C” grade or better) at least two courses related to the major field or have equivalent experience (subject to the employer’s requirements).
- Have a cumulative GPA of 2.75 or better.
- Complete the co-op application process and orientation process.
- Must complete three job readiness workshops: Resumes That Get Results; Ace That Interview; and New Job: Tips for Success!
- Complete and sign an experiential learning (co-op) agreement.
- Enroll in the designated co-op course section by the start date of the co-op experience.

The benefits of co-op include paid, hands-on experience in the field of study before graduation, the ability to earn academic credit in the major, and the opportunity to network with employers. For more information, contact the Career Center at 866-933-5180, or visit www.tri-c.edu/careerservices.

Tutoring

Tutoring at each campus provides students the resources to improve skills, develop strengths and maximize achievement in many college courses. Study guides, outlines, and books can be reviewed to help students organize work. Also available are:

- Study-skills workshops;
- Tutoring, individual and small-group, in many academic subjects;
- Workshops in mathematics, reading, writing and science skills.

Find out how to learn more effectively by calling these numbers or visiting these locations for more information.

East: 216-987-2256 • ESS 1108
Metro: 216-987-4311 • MSS 4th floor
West: 216-987-5256 • WTLC GT 115
Westshore: 216-987-5902 • WSHCS 130 in the TLC
CCW: 216-987-5902 • Lower level, Learning Café

Learning Commons

Each campus provides a library, tutoring services, technology/open computer lab, and media services, which collectively are referred to as the Learning Commons, to offer a full range of library, academic computing, and educational media support for students and faculty.

Each campus Learning Commons provides access to a variety of resources and information – librarians to assist with research, course materials placed on reserve by instructors, study spaces, computer labs, laptops and equipment loans. Tri-C’s college-wide catalog can be used to browse a collection of more than 170,000 books, periodicals, newspapers, and non-print media, materials from local libraries, and academic resources throughout the state of Ohio.

The open computer lab provides access to the latest learning technologies – computers, academic software, network resources, and information services. The Learning Commons staff is available to help with College-related computer applications, and software tutors are available Monday through Saturday. Each campus’ Learning Commons provides a wide variety of media-support services including access to and setup of equipment for classrooms and events.

Student-Faculty Conferences

Tri-C faculty members maintain scheduled office hours to confer with students regarding class work and related matters. Office hours will be announced by instructors in their classes and posted outside of faculty offices. Students are urged to familiarize themselves with the schedules and to contact their instructors during those hours.

College Pathway Programs (CPP)

The Office of College Pathway Programs is a component of Cuyahoga Community College’s Division of Access, Learning, & Success. The unit provides services to both current and prospective students, including recruitment and enrollment growth initiatives, and scholastic K-12 programming. The unit also administers the Aeronautics Education Laboratory through the MUREP Aerospace Academy formerly known as the Science, Engineering, Math, and Aerospace Academy Program. Included in the Office of CPP are the Youth & Early College, Innovative & Emerging, and Adult-Focused program units. CPP provides programs and services to improve access, retention, and success for those in targeted groups (low-income, first generation, minority, women in transition, youth, recipients of public resources, etc.) among the eligible adult and youth population of the Greater Cleveland area. College Pathway Programs offers programs for adults and youth. Individual programs are further described below. Visit the CPP website at: http://www.tri-c.edu/pathways.

Tri-C’s College Pathway Programs all share common goals:

- To increase educational opportunities for youth,
• To assist students in gaining access to higher education,
• To motivate students to participate in college courses while in high school, and
• To provide opportunities to foster student success through interventions such as assessment, coaching, and mentoring.

Strategic partnerships with area school districts enable College Pathway Programs to customize academic and student support services to meet the needs of students from diverse backgrounds. Cuyahoga Community College is committed to personal and educational excellence through its affordable and efficient approach to higher education.

Youth & Early College Programs, a Unit of the Office of College Pathway Programs
Youth and Early College Programs share common goals: 1) to increase educational opportunities for youth, 2) to assist students in gaining access to higher education, 3) to motivate students to participate in college courses while in high school; and 4) to provide opportunities to foster student success through interventions such as assessment, coaching, and mentoring.

The College Success Program
The College Success Program is a partnership between Cuyahoga Community College and the Cleveland Metropolitan School District (CMSD) to prepare CMSD students to successfully transition into college-level courses. Many high school graduates are placing into remedial level math and English college courses, costing them additional time and money and making it less likely that they will finish college. The College Success Program seeks to remedy these math and English deficiencies in CMSD graduates by increasing the number of students who successfully progress through high school, graduate, enroll in postsecondary education at college-level, and succeed in their college coursework. College Success consists of three components: installing and utilizing College Success Outreach Centers in six selected CMSD High Schools; inviting students to attend the College Success Summer Academy at the Cuyahoga Community College Metropolitan Campus; and providing a unique First Year Experience for students transitioning to Cuyahoga Community College upon graduating from high school. This program is currently funded by Cuyahoga Community College. For more information, please call 216-987-4196.

Educational Talent Search
Educational Talent Search is a federally-funded pre-college program created in 1965 as part of the Higher Education Act. It is designed to motivate and develop the skills necessary for students to be successful in secondary school, graduate, and enroll in an institution of post-secondary education. Being among the pioneer TRIO programs in the country, Cuyahoga Community College’s Educational Talent Search program has been in existence since 1968.

Students in grades 6 through 12 are eligible to participate. Students from the Cleveland Metropolitan School District that are low-income and first-generation are targeted for participation. Educational Talent Search student advisors and instructional assistants provide classroom workshops on careers, financial aid, test preparation for OGT, PSAT, ACT, SAT, and COMPASS tests, and individual counseling and tutoring sessions to assist students in achieving their pre-college and college entrance goals. Students also participate in college tours as well as cultural activities to assist in their personal development. Talent Search serves 1,250 students annually. For more information, please call 216-987-6310.

High Tech Academy (HTA)
High Tech Academy is an innovative dual enrollment program in which Cleveland Metropolitan School District high school students in grades 10 through 12 attend a half-day of school at their high schools then attend college classes on the Metropolitan Campus of Cuyahoga Community College. HTA offers students a rigorous curriculum and helps to develop students’ academic and technical skills, as well as leadership skills. Students can choose classes from various HTA pathways, including college preparatory (liberal arts), engineering technology, information technology, business management, health careers, and creative arts technology. Ultimately, the college-level classes count toward a students’ graduation requirements in high school. This educational collaboration coordinates programming for more than 250 CMSD high school students annually. Set apart from traditional College Credit Plus, the High Tech Academy offers many enrichment components to foster achievement, career exploration, and has a required community service component. CMSD and Tri-C administrators are on-hand daily to oversee the small school operations on campus.

Founded in 2000, HTA received major support from National City and NASA Goddard Space Flight Center. Now, with generous and continuous support from PNC, HTA students are afforded unique opportunities and experiences, to accompany tuition costs that are paid on their behalf. Funding received from additional corporate sponsors Kaiser Permanente Foundation and the Harold C. Schott Foundation supports our students who are aligned with the Health Careers Pathway. Their wonderful gift assists students’ pursuit of academic credentials necessary for careers in the healthcare industry.

Upon high school graduation, HTA seniors have an opportunity to apply for the HTA Completion Scholarship, established for those students who would like to continue at Tri-C after high school graduation to
earn an associate degree. Other students transfer to four-year colleges/universities or enter the workforce. HTA has enrolled more than 900 students who’ve earned college credits, and those who’ve earned an associate degree at the same time they earned their high school diploma now exceeds 50 students. For more information regarding the High Tech Academy, please call 216-987-3549.

MUREP Aerospace Academy
MUREP Aerospace Academy (MAA), formerly known as the Science, Engineering, Mathematics, and Aerospace Academy, is a national innovative program designed to increase the participation and retention of historically underserved and underrepresented K-12 youth in the areas of science, technology, engineering, and mathematics (STEM). MAA’s ultimate goal is to increase the number of students in the identified populations who enroll in STEM-related academic majors in college. A hands-on, inquiry-based, cooperative learning environment is implemented through Saturday classes at no cost to parents during the academic session (fall, spring, and summer) at Cuyahoga Community College. During the summer session, students engage in two weeks of STEM enrichment activities.

Focusing on aerospace and earth science, all students enrolled during fall, spring, and summer are engaged in StarLab (portable planetarium) and field trip activities. Middle and high school students are engaged in learning activities in the MAA Aerospace Education Laboratory, a state-of-the-art, computerized classroom that uses cutting-edge technologies to model real-world challenges in aviation, robotics and microgravity research. While students are attending the academic session, parents and guardians are invited to participate in the Family Café where parents and family members experience interactive STEM hands-on activities, lessons, parenting skills, and guest speaker presentations that support whole family learning that prepare students for college or technical fields. This forum encourages parents to share best practices of effective ways to support students interested in STEM fields.

Established as the first joint venture with NASA and Congress, the MAA program has grown from a single site to a national organization that serves 1,200 students during the academic year and summer session at the Metropolitan Campus. The program is supported by NASA MUREP Aerospace Academy, NASA Glenn Research Center, Cuyahoga Community College, Paragon TEC. Inc., Martha Jennings Foundation, PPG Industries Foundation, Thomas H. White, Cleveland Chapter of CHUMs, Time Warner Cable, and DuneCraft. For more information regarding MAA, please call 216-987-6301 or visit www.tri-c.edu/murep.

Upward Bound (UB)
Upward Bound is a pre-college program for high school students. The program helps students to develop the skills and motivation needed to succeed in post-secondary education. UB provides college, career and financial aid counseling, tutoring, field trips and test preparation for the OGT, ACT and SAT tests. Students also attend a six-week summer session and graduating seniors attend an eight-week bridge component. UB is funded by the U.S. Department of Education. Call 216-987-4958 or visit UB at: http://www.tri-c.edu/trio-programs/upward-bound/index.html.

Upward Bound Math/Science (UBMS)
Upward Bound Math/Science is a federally-funded, pre-college program designed to assist high school students interested in science, technology, engineering, and mathematics careers. Serving Cleveland Metropolitan School District high school students at East Technical High School, Garrett Morgan Cleveland School of Science Academy, and Lincoln-West High School, UBMS provides individualized and small-group educational services that support students in building a mastery of core content knowledge. In addition to year-round academic planning and advising, students are engaged in authentic hands-on, project-based learning activities, monthly educational workshops, and a six-week summer STEM Academy.

To prepare students for academic success in STEM in high school and college, UBMS provides an academically enriching and rigorous math and science curriculum year-round. Students receive computer and technology training along with standardized test preparation. College, career, financial literacy, and scholarship assistance also provides students and families with information and resources to support their pursuit of a post-secondary education. For more information, please contact the Upward Bound Math/Science office at 216-987-4956 or visit www.tri-c.edu/ubms.

Innovative and Emerging Programs

Gateway to College
Gateway to College helps high school dropouts (ages 16-21) and students on the verge of dropping out to earn a high school diploma while also earning college credits. By providing another path to a high school diploma and the opportunity to go to college, Gateway to College is helping thousands of young people rewrite the story of their lives. This program is funded by Cuyahoga Community College, Caplan Wright Family Foundation, and the United Black Fund. For more information, please call 216-987-0244.

North Coast Tech Prep
The Tech Prep Program enables high school students in grades 11 and 12 to participate in state-approved career and technical programs to earn articulated college credit upon high school graduation. The curriculum reflects real-world technical careers in high demand today. Tech Prep enables a smooth transition from high school into 2- and 4-year college degree programs. For more information, please call 216-987-4987.
Central State University & Historically Black Colleges and Universities Transfer Program
The Central State University Project is a partnership between Cuyahoga Community College and Central State University located in Wilberforce, Ohio. Student participants are urged to complete their associate degree then move directly into their junior year at Central State. Students majoring in most areas can also earn credits through the dual enrollment component. Transferring credits is a seamless process through this program.

A major advantage for student participants in Project programming is saving thousands of dollars by beginning their coursework while in high school or at the community college. Scholarships are available for eligible students. For more information, please call 216-987-3260.

Adult-Focused Programs
Adult Diploma Program
The Adult Diploma Program will offer adults, age 22 or older, and an opportunity to earn a high school diploma. This will involve career advisement, a national career readiness certificate, and preparation for in-demand careers in Northeast Ohio that require a high school diploma. Participants will complete their Ohio high school diploma requirements by participating in a competency-based learning program which will demonstrate a mastery of skills that will prepare them for in-demand career fields such as healthcare, manufacturing, logistics, and constructions. There is no cost to participants except time and commitment. Cuyahoga Community College, with funding from the Ohio Department of Education, launched this two-year program in July of 2015. For additional information, please contact our program manager at 216-987-0610 or adultdiplomaprogram@tri-c.edu. Information may also be found at www.tri-c.edu/adultdiploma.

Hispanic / Latino Engagement
The College Pathway Programs team works collaboratively with the Hispanic Council at Cuyahoga Community College and Promise Academy. This program works to support and increase high school graduation and provide access to academic and workforce development programs. For more information, please call 216-987-3260.

Inter-Faith Community Service Initiative
The goal of this College-wide initiative is to provide training and information to faith-based institutions so they can assist parishioners and community members in achieving their academic, educational, and workforce related aspirations.

The desired outcome of these partnerships will be to strengthen connections between Cuyahoga Community College and the faith community. Similar programs in other colleges have recognized that individuals who receive critical information about education and jobs in a familiar location from someone they know are more likely to enroll and focus to finish high school, GED, college, or workforce programs. For more information, please call 216-987-0496.

Promise Connection
A collaborative project between Promise Academy, a Cleveland Metropolitan School District sponsored charter school, and Cuyahoga Community College that opens the windows of opportunity for continued education and training of Promise Academy students, and prepares them to enter the workforce with education and training beyond the high school diploma. For more information, please call 216-987-3260.

Educational Opportunity Center (EOC)
Educational Opportunity Center offers free enrollment assistance to 1,200 Cuyahoga County adults annually, ages 19 and over, who wish to further their education. EOC advisors meet with individuals by appointment and provide information, workshops, and services to groups. Call EOC at 216-987-6305 to schedule a meeting with an EOC advisor to receive services such as: assistance enrolling in GED classes; college, certificate, or vocational training programs; academic and career advising; admissions information; and applying for Federal Student Aid and scholarships. EOC provides referrals to social service and community resources. Assistance in completing financial aid and admissions applications is available. All services are free. The U.S. Department of Education and Cuyahoga Community College fund the EOC. Call 216-987-6305 for more information.

Women In Transition (WIT)
Women In Transition is a free non-credit course that is designed to help adult women move their lives forward through education and training. Participants receive basic computer training, help in career exploration, financial literacy enrichment, personal development and soft skill training. Upon completing the program, participants are equipped to continue their education, enter the workforce, understand financial aid options, and identify marketable skills and career opportunities.

For FY 17, the Women In Transition Program is funded by Cuyahoga Community College, Carl D. Perkins Act, Westfield Insurance Foundation, The SK Wellman Foundation, the Peoples Bank, and others. There is both a day and evening class available. The class runs every eight weeks during the school year on four Cuyahoga Community College campuses: Eastern 216-987-2272; Metropolitan 216-987-4187; Westshore 216-987-3899; and Western 216-987-5091. Visit WIT on the web at www.tri-c.edu/wit.

Adult College Access Programs
ABLE (Adult Basic and Literacy Education)
The ABLE program offers free classes to adults who need help acquiring the skills to be successful in college, training or employment. Classes are offered to:
• Improve math, reading and writing skills;
• Help high school graduates who need to improve skills for a job or college;
• Assist with GED® test preparation;
• Improve English for speakers of other languages (ESOL);
• Transition students into a job, training or college.

Our morning and evening classes are offered at Eastern, Western and Metropolitan campuses as well as many locations within Cuyahoga County. The program is for adults 16 and older who have skills below a 12th grade level.

Please note: The state is changing requirements for 16 and 17 year old students taking the Official GED® test. This means that if you enroll in ABLE at 16 or 17 years old you may not be able to reach your end goal of obtaining your high school equivalency diploma. Please review age requirements at http://education.ohio.gov/Topics/Testing/Ohio-Options-for-Adult-Diploma/GED/Applying-for-the-GED.

ABLE is a part of the University System of Ohio and is funded by federal and state grants through the Ohio Department of Higher Education.

For more information or to register visit http://www.tri-c.edu/able-ged-esol/ableged-registration.html or call:
Metro Campus: 216-987-3029
Eastern Campus: 216-987-2135
Eastern Suburbs and Cleveland East: 216-371-7138 or 216-261-5006
Western Suburbs and Cleveland West: 216-529-4240

**Veterans Upward Bound (VUB)**

VUB provides a variety of support services to assist veteran students in the successful pursuit and completion of their educational and career goals. VUB offers an academic enrichment program featuring refresher courses in mathematics, science, English and basic computer skills. Five nine-week sessions are offered per year as well as a six-week accelerated summer bridge program. Other services include: academic and financial aid advising; career and personal counseling; tutoring; Veterans Affairs benefits information; college transfer assistance; scholarship opportunities; peer mentoring; and a veterans club. All services are free to eligible participants at the Eastern, Metropolitan, and Western Campuses. DD214 and income verification are required to apply. The VUB Program is funded by the U.S. Department of Education (TRIO). Call 216-987-4938 or visit VUB at: http://www.tri-c.edu/veterans/veterans-upward-bound.
