Recreation Department Guest Card!

Community members may purchase Guest Cards to gain entry to the Recreation Facilities. A fee of $5 will be deducted per visit for use of the pool and fitness center. If you plan on taking advantage of both facilities, make sure you tell the Fitness Center attendant or Lifeguard on duty prior to leaving the facility where you paid.

What is the Guest Card?
The Guest Card allows community members not enrolled in classes and, who do not have a student, faculty or staff My Tri-C ID card, to add funds to their Guest Card to gain entrance to the Recreation Department’s Pool or Fitness Center.

How do I get a card?
Cards may be obtained from either the Enrollment Office or the Cash Loading Station conveniently located near the campus ATM station on the first floor of the Student Services Building around the corner from Public Safety.

Will the Guest Card cost me anything?
There is a one-time $1 fee for the Guest Card. This card is reusable so do not discard them once your funds run out; simply reload your card with more money. If you are not currently enrolled at Tri-C, but have a My Tri-C Card from previous enrollment, you can load funds onto that card without purchasing the Guest Card. Other cash loading cards such as the Massage Therapy card will also work as a guest card. If you are not a currently enrolled student, $5 will be deducted from your card for each visit.

How do I add money to my Guest Card?
Funds can be loaded onto the card by one of three ways:

1. At the Cash Loading Station – follow the instruction posted above the machine for loading cash. Do not load it under “Dining Dollars”
2. At the Online Card Office,
   (link to this site can be found at www.tri-c.edu/recreation).
3. At the campus Enrollment Center (hours)?

What if I lose my Guest Card?
When funds are loaded onto your Guest Card, it is like losing a gift card. We cannot refund money for a lost card. If you do happen to lose your card, you are able to log on to the Online Card Office to suspend your card (you will need to know the guest card number or have an account already set up for the card). Cards found on campus will be turned in to the Enrollment Center, if you know your Guest Card number you can check with them to see if it was turned in.

Cuyahoga Community College

Cuyahoga Community College Cancellation & Refund Policy

Cancellations: You will be contacted by the Recreation Department if a class has been cancelled. Please make certain that, when registering, you include your current phone number or email address.

Refunds: Please contact the Enrollment Center at (216) 987-3075 if you wish to withdraw from a class. You will receive a 100% refund if the college cancels a course or you withdraw one or more weeks before the class starts. An 80% refund applies if you withdraw after the first class and before the second class. No refund applies after the second class session.

Program 60 Admission

Through program 60, residents of Ohio aged 60 and older may register for regularly scheduled credit and non-credit classes on a non-credit, tuition-free, space-available basis.
Aqua Aerobics
CRN#32320, $110, Mon/Wed, 5-5:50 p.m., 6/1-8/3, ESS 1520 Pool
CRN#32318, $110, Tues/Thurs, 11-11:50 a.m., 5/31-7/28, ESS 1520 Pool
Aqua Aerobics will help shape and tone your body as well as keep your heart rate up without punishing your joints and bones. This is a shallow water course that may include the Vortex. You do not need to know how to swim to take this class.

Low Impact Aqua Aerobics
CRN#32325, $110, Tues/Thurs, 5-5:50 p.m., 5/31-7/28, ESS 1520 Pool
Low Impact Aqua Aerobics will help shape and tone your body as well as keep your heart rate up without punishing your joints and bones. You do not need to know how to swim to take this class.

High Impact Aqua Aerobics
CRN#32314, $140, Mon, Wed, Fri, 12:30-1:20 p.m., 6/1-8/5, ESS 1520 Pool
High Impact aerobics is a high intensity workout that combines cardiovascular, strength, abdominal, and aerobic training. This is a shallow water course, that may include the Vortex. You do not need to know how to swim to take this class.

Aqua Bootcamp
CRN#32321, $110, Tues/Thurs, 7-7:50 p.m., 5/31-7/28, ESS 1520 Pool
Aqua Bootcamp emphasizes agility, strength and speed to create a highly intense cardiovascular and aerobic workout in a combination of shallow and deep water, as well as the pool deck. You do not need to know how to swim to take this class.

Aquasize
CRN#32315, $70, Sat, 11-11:50 a.m., 6/4-7/30, ESS 1520 Pool
Aquasize will help shape, tone, and strengthen your body as well as keep your heart rate up without punishing your joints and bones. This is a shallow water course.

Qigong
CRN#32305, $90, Mon/Wed, 11-11:50 a.m., 6/1-8/3, ESS 2520
Qigong (Chi Kung) consists of self healing techniques that were developed in China thousands of years ago. These healing practices combine the use of breathing, sound, movement and mind which, when practiced daily, may prevent illness, strengthen organs and help one regain vitality after an illness.

Tai Chi
CRN#32307, $90, Mon/Wed, 10-10:50 a.m., 6/1-8/3, ESS 2520
CRN#32306, $90, Mon/Wed, 12-12:50 p.m., 6/1-8/3, ESS 2520
Tai Chi is an ancient Chinese martial art approximately 1,000 years old. It will be taught as an exercise that promotes whole body health. It consists of a series of slow, graceful movements that combine into what is known as the “form”. People of all ages can benefit from daily practice.

Chiago Style Steppin Dance
CRN#32309, $90, Tues, 6-8 p.m., 6/7-8/2, ESS 1501
CRN#32310, $90, Wed, 6-8 p.m., 6/8-8/3, ESS 1501
This eloquent dance will help you put a sway in your body, glide in your stride and a pep in your step, learning basic and advance fundamental steps with or without a partner such as basic and advance foot work, spins, structure, lane etiquette, new and old school choreographed coupled and trio dance moves with an added bonus of several Chicago Style ballroom walks.

Chicago Style Steppin Dance
CRN#32308, $90, Mon, 6-8 p.m., 6/6-8/1, ESS 1501
This eloquent dance will help you put a sway in your body, glide in your stride and a pep in your step, learning basic and advance fundamental steps with or without a partner such as basic and advance foot work, spins, structure, lane etiquette, new and old school choreographed coupled and trio dance moves with an added bonus of several Chicago Style ballroom walks.
Intro to Weight & Cardio Training ZRCE 1142
CRN#32323, $90, Mon/Wed, 12:30-1:25 p.m., 6/1-8/3, ESS 2524
Become familiar with Tri-C East’s weight room and equipment. This class will provide an introduction to techniques, principles and benefits of a personal conditioning program including: cardiovascular fitness and muscle endurance training. This class will help those who would like to start an exercise program using both cardio equipment and weight training machines. Participants will learn how to set goals and develop a workout/cardio program.

Musclerobics ZRCE 1137
CRN#32304, $90, Tues/Thurs, 5:15-6:15 p.m., 5/31-7/28, ESS 1501
Musclerobics is a full-body cardio conditioning workout that involves building strength, a range of movement, flexibility and muscle endurance in our new state of the art fitness center. The program includes interval and circuit training. The equipment used includes power bands, flex-tubes, free-weights, workout machines and each individual’s own body weight. The workout runs 30 to 45 minutes, consisting of warm-up, workout, cool-down and stretches.

Pilates ZRCE 1136
CRN#32303, $90, Mon/Wed, 5:15-6:15 p.m., 6/1-8/3, ESS 1501
Based on the work of Joseph H. Pilates, this class develops the core abdominal and trunk muscles. The benefits include strengthening the body’s core support, developing long, lean muscles and improving flexibility. When a body secures balance, there is less strain on muscles when an individual is moving through normal daily activities. In this way, Pilates practice can prevent injuries from occurring. This class is appropriate for individuals at all levels of fitness.

Water Walking/Aqua Zen ZRCE 1127
CRN#32319, $110, Mon/Wed, 6-6:50 p.m., 6/1-8/3, ESS 1520 Pool
We’re mixing it up in the pool. Join us for this brand new class that will combine exercise and relaxation! Enjoy an exhilarating water-based total body strengthening and relaxation water walking class. This class will primarily use shallow water and at instructor’s discretion, deep water. You do not need to know how to swim to take this class.

Adult Learn to Swim ZRCE 1097
CRN#32316, $70, Sat, 10-10:55 a.m., 6/4-7/30, ESS 1520 Pool
Adult Learn To Swim is designed for people with little or no water experience. Class will help to provide an understanding of the basic skills required for swimming such as floating, kicking and breathing. The goal of this course is to get non-swimmers over their water fears, and swim at least half a lap using a proficient freestyle and or backstroke by the end of the course.

Adult Learn To Swim ZRCE 1078
CRN#32324, $110, Tues/Thurs, 6-6:50 p.m., 5/31-7/28, ESS 1520 Pool
Adult Learn To Swim is designed for people with little or no water experience. Class will help to provide an understanding of the basic skills required for swimming such as floating, kicking and breathing. The goal of this course is to get non-swimmers over their water fears, and swim at least half a lap using a proficient freestyle and or backstroke by the end of the course.

Rhythm & Stroke ZRCE 1135
CRN#32322, $110, Tues/Thurs, 12-12:50 p.m., 5/31-7/28, ESS 1520 Pool
Come get a taste of what you've been missing. Let Andre' put the rhythm back in your stroke. Rhythm & Stroke is a multidimensional water workout combining rhythmic body and swimming movements with aerobics intensity. Work the water, move with purpose, Rhythm & Stroke is for you. Learn proper breathing technique and effective swimming drills. Must know basic swimming fundamentals.

Mommy & Me ZRCE 1112
CRN# 32317, $40, Sat, 9-9:45 a.m., 6/4-7/30, ESS 1520 Pool
Dads are welcome too, or even both parents...we just liked the name! For children 6 months to 5 years old. Parents are required to be in the water with their children (one adult per child). This class will allow your child to become familiar with water, expend energy, and bond with parents. This is not learn to swim, it is a time to have fun learning with your child in the water through songs, motion and exercise. Example of class: 5-minute warm up, 35-minute instructor lead activity, 10-minute independent cool down.
