To The
Articulation Agreement Dated June 22, 2012
By and Between
Cuyahoga Community College District
and
Wittenberg University

Articulation Criteria and Articulation Benefits

1. The articulation criteria ("Articulation Criteria") are:
   a. Recognizing the system of preparation afforded by the completion of an Associate of Arts or an
      Associate of Science, (AA/AS) degree, and the Ohio Transfer Module in accordance with the Ohio
      Articulation and Transfer Policy, Wittenberg University ("Wittenberg") will guarantee admission
      to Wittenberg and afford junior standing to all students that have earned AA/AS degree from
      Cuyahoga Community College District ("College"), provided their grade point average is at least a
      2.0 for all previous college-level.

      Students so admitted will be considered for admission to selective programs (majors, minors, or
      fields of concentration) with the same guidelines that are applied to native Wittenberg students.
      Students are responsible for understanding and adhering to the selective admission requirement,
      according to catalog requirements, at Wittenberg.

      Students who have not completed their AA/AS degree, or who have earned a cumulative grade
      point average below a 2.0, or those who have been dismissed previously from another institution
      will be considered for admission according to admissions policy and standards of Wittenberg,
      according to catalog requirements.

   b. Students who have successfully completed an AA/AS degree at the College and have completed
      the Ohio Transfer Module who matriculate at Wittenberg under the terms of this Agreement shall
      be considered to have completed the Wittenberg general education requirements approved by
      Wittenberg Educational Policies Committee. There are two exceptions; students who have
      completed less than the equivalent of one year of foreign language at the College will be required
      to complete the Wittenberg General Education Language requirement, and students will be
      required to complete the Wittenberg Community Service requirement.

   c. Due to curriculum structures and the variability in student enrollment patterns, Wittenberg cannot
      guarantee that students who transfer under the provision of this Agreement will complete all the
      requirements to graduate from Wittenberg within two years.

   d. Collegiate level courses completed at the College with a “C” or better grade will be accepted for
      students who transfer with an earned AA/AS degree. It should be noted that the student may be
      required to retake any course in which s/he received a grade of “C” or better where there is a
      higher minimum grade required for all native Wittenberg students pursuing the same academic
      program. The application of this rule shall be consistent for both native Wittenberg students and
      College transfer students.

   e. Students who choose to transfer before completing an associate degree will have collegiate level
      courses completed at the College with a “C” or better grade accepted toward the student’s class
      standing at Wittenberg. It should be noted that the student may be required to retake any course in
      which s/he received a grade of “C” where there is a higher minimum grade required for all native
      Wittenberg students pursuing the same academic program. These credits will also be considered
for application to the student’s degree requirements, on a course-by-course basis, using the same criteria used for native Wittenberg students.

f. To meet graduation requirements for Wittenberg, all students must successfully complete four writing intensive courses, two of which must be in the major, at Wittenberg.

2. The articulation benefits (“Articulation Benefits”) are:

a. All collegiate-level credit transferred from the College shall be accepted toward the student’s class standing and shall be articulated to specific Wittenberg courses, when possible.

b. The College and Wittenberg will work together to maximize the acceptance and application of transfer credit. Program specific articulation agreements supporting this institutional agreement will outline selective admission requirements, course equivalencies, and other information affecting students who enroll in a particular academic program. Any supplemental programmatic articulation arrangement must be consistent with requirements and intent of this Agreement. Students transferring credit outside of programmatic articulation agreements will have the application of transfer credit done on a course-by-course basis by Wittenberg. Ultimately, the acceptance and application of transfer credit is the decision of Wittenberg.

d. Wittenberg will accept up to a maximum of eighty (80) semester hours of credit from the College for a transferring student with an associate’s degree and a completed Ohio Transfer Module.
