Dear Friends,

Cuyahoga Community College (Tri-C®), Ohio's first community college, opened in September 1963. Since then more than 1 million individuals have attended Tri-C. Offering both credit and noncredit courses, as well as certificate programs in most career fields, the College prepares students to prosper in the new global economy.

Tri-C empowers students to complete their education in a timely manner. With the adoption of an intentional case management approach to student success, the College provides students with nine clear pathways to degree and certificate completion. This approach guides students toward meaningful careers or to four-year universities.

The College's strategic plan guides our efforts toward the fulfillment of five key priorities:

- 1.** To provide a comprehensive student experience within a welcoming and safe learning environment.
- 2.** To increase communication and engagement with our internal and external community by promoting a culture of transparency, accountability and inclusion.
- 3.** To build on our external partnerships with the community — including alumni, employers, educational institutions, organizations and governments — to meet student needs and improve the quality of life throughout the region.
- 4.** To strengthen internal pathways and ensure that programs, degrees and credentials align with employer needs so that residents are prepared to participate in the skilled workforce and growing economy of Northeast Ohio.
- 5.** To maintain our longstanding commitment to providing affordable educational opportunities and services, removing barriers to educational access, exercising good stewardship of taxpayer resources and ensuring institutional integrity.

More than 85% of our graduates live and work in the region. Tri-C is an asset to the community it serves and has touched countless lives in significant ways. In Northeast Ohio, Cuyahoga Community College remains the place where futures begin.

A handwritten signature in black ink that reads "Alex Johnson". The signature is fluid and cursive, written in a professional style.

Cuyahoga Community College

FACTS ABOUT CUYAHOGA COMMUNITY COLLEGE

Founded in 1963 as Ohio's first and largest community college, Tri-C has provided high-quality, affordable education and programs to more than 1 million community members.

More than 1,000 credit courses are offered each semester in more than 200 career and technical programs. Tri-C also grants short-term certificates, certificates of proficiency and post-degree professional certificates.

More than 600 noncredit workforce and professional development courses are offered each year.

Tri-C serves students at four campuses and at numerous off-campus sites strategically located throughout the county.

Cuyahoga Community College has been recognized as an Aspen Prize Top 150 Community College for 2021. The biennial honor, which recognizes high achievement and performance in student outcomes, is the nation's signature recognition for community colleges.

LOWEST TUITION IN OHIO

- Four campuses and numerous off-site locations
- Many courses available online
- Tri-C serves more than 50,000 credit and noncredit students annually and offers day, evening and weekend classes

In September 2020, Tri-C's nursing program was named an Excellence and Equity in Community College STEM Award winner by the Aspen Institute Excellence Program and the Siemens Foundation.

The College's nursing program was one of eight programs nationwide to receive the award, which recognizes outstanding preparation and training for high-demand jobs in advanced manufacturing, energy, health care or information technology, as well as intentional outreach and support of diverse populations that are typically underrepresented in STEM fields.

PROGRAMS

Tri-C offers more than 30 health career programs leading to associate degrees or certificates.

Tri-C offers associate of arts and associate of science transfer degrees, as well as occupational career programs in:

- Humanities and communications
- Science and mathematics
- Social and behavioral sciences
- Agriculture and natural resources
- Business
- Engineering
- Public services
- Information technology

ATHLETICS

Team Name: Triceratops

Mascot: Stomp

Colors: Teal, black and white

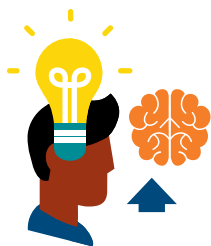

Compete in: Ohio Community College Athletic Conference (OCCAC); Region 12 of Division II of the National Junior College Athletic Association (NJCAA)

Sports: Baseball, men's basketball, women's basketball, women's cross country, softball, women's track, women's volleyball

History: The Triceratops name was chosen via a student vote in 2018 and adopted by the College's athletic teams for the 2019-2020 academic year. Stomp, the College's first mascot, debuted in 2019. The 7-foot-tall teal Triceratops appears at College and community events throughout

Northeast Ohio, wearing jersey #63 in honor of the College's founding year, 1963.
