Program Name: Paramedic Certificate

This program is designed to be completed in 42 weeks.

This program will cost $4,865 for In-State tuition and fees, $9,972 for Out-of-State tuition and fees, $300 for Course Supplemental/Lab Fees, $2,550 for Books and Supplies if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with *N/A of debt. “Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.”

Paramedics in all 50 states must pass the NREMT paramedic exam or a state certification exam to become licensed. NREMT exam prerequisites include the completion of a formal paramedic training program and EMT - Basic certification. Additional state licensing requirements may include a criminal background check, proof of immunizations and health checks and continuing education credits.
