

Kimberly Liddell
Transfer Specialist, Transfer Center

Kimberly Liddell is a Transfer Specialist with Cuyahoga Community College, Metropolitan Campus. As a Transfer Specialist at Cuyahoga Community College, Kimberly works with students who are preparing to transfer to a four-year institution upon graduation from Cuyahoga Community College. Kimberly also works with the Reach Scholar program which supports students who have aged out of foster care and has been a faculty advisor for Circle K Club at the Metropolitan Campus. Kimberly has been recognized for her work in higher education. She was named to the American Association Women in Community College, 40 Under 40. Recently she received the Tom Vandermellen Award from the Ohio Transfer Council for her work in supporting transfer students of diverse backgrounds. Kimberly has over 15 years of professional experience working in higher education. Prior to starting at Cuyahoga Community College, Kimberly worked with Division I collegiate athletics in sports marketing and select game day operations. Kimberly is an active member of the community. She is a member of the Junior League of Cleveland where she has held a number of leadership roles including Board Parliamentarian and Community Research and Development Committee Chair. Currently she is the 2018-2020 Training, Vice President for the Junior League of Cleveland and sits on the Management Team. She is also active with the University of Dayton Alumni Community of Cleveland, working with Christmas off Campus service project for several years. Kimberly graduated from the University of Dayton with her Bachelor's degree in Marketing and graduated from The University of Akron with her Masters of Business Administration.
