

Joseph P. Koskovics

Manager, Media Engineering

Joseph Koskovics serves as Manager in the department of Media Engineering at Cuyahoga Community College (Tri-C®).

Mr. Koskovics has over 35 years of television production experience. A 3-time Emmy® nominated producer and writer for his Tri-C cable television series “TECH” (2001-2006), he is involved with the professional broadcast industry in Northern Ohio and has served as the Awards Chairman for the regional Emmy® Awards as well as a member of the Regional Board of Governors for the National Academy of Television Arts and Sciences (NATAS). Mr. Koskovics currently serves as a trustee to the NATAS National Board, based in New York City.

Mr. Koskovics has been employed at Tri-C since 1981 and has held positions including media technician, satellite operations technician, cable TV operations manager, special projects supervisor, and adjunct faculty instructor of television production. He earned an associate degree from Cuyahoga Community College.
