

PROGRAM GUIDE

WESTSHORE CAMPUS FALL 2020

Employers and 4-year institutions are looking for students who have committed themselves to exploring their personal development and campus or community involvement while at Tri-C. Westshore Campus has a number of opportunities for student involvement throughout the semester, many of which are advertised in this program guide.

Use the key below to identify events that might interest you based upon your academic program or simply explore the list of events in its entirety! Check back often as events are added each week.
