

Partner with the Cuyahoga Community College (Tri-C®) Career Center to meet your company's employment needs.

Promote

College Central Network is a free online job posting system that allows you to post employment opportunities and view job seekers' resumes. Visit www.tri-c.edu/collegecentral for more information.

Connect

Does your organization need a talent pipeline? A co-op or intern? Work with us directly to identify qualified students who may be able to meet your staffing needs.

Engage

Whether you'd like to recruit on campus or participate in upcoming job/career or internship fairs, our office will work with you to meet your needs.

Collaborate

Is your company growing and expanding? Connect with our office to discuss ways we can assist. We will collaborate with you on a customized event to suit your needs.

Get Involved

There are many ways to engage with the College, share your expertise with students and give back to the community, such as serving on an employer panel or advisory committee, conducting mock interviews, acting as a job shadow host or serving as a guest speaker through our Industry Connections Speakers Bureau.
