**Department Description:** (e.g. mission statement, department responsibilities)

Tri-C's Sport and Exercise Studies program provides students with the knowledge and skills to be fitness professionals. Graduates will be prepared to sit for a variety of nationally accredited certification examinations in personal training and group fitness instruction. In addition, students graduating from the program may transfer to four year institutions to continue their education in exercise science, exercise physiology, sports management, or other fitness related fields.

**Job Responsibilities:** (e.g. functions and/or projects)

- Perform a variety of fitness assessments in the Fitness Testing and Training Center at the Eastern Campus (including, but not limited to BodPod assessments, Resting Metabolic Rate (RMR) and VO2 max testing)
- Assist in departmental projects (5K's, Exercise is Medicine events)
- Personal train employees, students and general public in the Fitness Testing and Training Center
- Gain presentation experience by assisting SES staff during hands - on workshops/videos
- Complete a special project to be assigned by the department

**Required Qualifications:** (e.g. declared major; specific coursework; competencies, knowledge, skills, and abilities)

- Sport and Exercise Studies (SES) Declared Major
- Completed coursework: SES 2410 or similar experience
- Ability to work well within a group
- Strong interpersonal skills

**Preferred Qualifications:** (e.g. declared major; specific coursework; competencies, knowledge, skills, and abilities)

- Personal Training Certification (ACSM, NSCA, NSCF)
