

Join us for a **College Credit Plus** Virtual Information Session.

- Learn how to earn college credit while you're still in middle school or high school
- Qualified students can take a single course or enroll full time at Tri-C while working toward their high school diploma
- The successful completion of coursework counts as college and high school credit
- Many courses at Tri-C are Transfer Assurance Guide (TAG) courses or Ohio Transfer 36 courses, which carry the guarantee that credits will transfer to any of Ohio's public institutions of higher education

Tri-C ranks 3rd in the state in College Credit Plus participation. Since 2015, nearly 60,000 students have participated in the program. Discover how to become one of them!
