

WINTER CAMPS 2020

SECRET AGENT LAB

Dec. 28-31, 9 a.m. – noon | Ages: 6-12 | Cost: \$155

Your mission, should you choose to accept it, is to sharpen your special operative skills as you learn about the secret world of espionage! See how ultraviolet light is used to gather clues and then create your own crime scene. Learn about forensic science using the pH scale, bones and bugs. Decode messages, use a metal detector, experience night-vision goggles and make your own secret code breaker!

Each secured Zoom session includes interactive experiments led by a “mad scientist.” Campers will also complete activities and experiments on their own using materials found around the house as well as items from the customized lab pack delivered to their home. (Campers must register at least one week in advance to ensure timely delivery.)

FUNGINEERING

Dec. 28-31, 9 a.m. – noon | Ages: 6-12 | Cost: \$155

Do you love to build, design and fix things? Put on your engineer’s hat to see how science is used to build skyscrapers, bridges and tunnels. Let simple machines help lift weights and even launch marshmallows. Ever wonder how a camera works? See how film captures light to store images and how filmmakers bring images to life. Take a walk on the wild side as you explore the world of birds, beasts and bugs. You’ll even get to concoct crazy creations on “Che-mystery” Day. There’s so much to discover!

Each secured Zoom session includes interactive experiments led by a “mad scientist.” Campers will also complete activities and experiments on their own using materials found around the house as well as items from the customized lab pack delivered to their home. (Campers must register at least one week in advance to ensure timely delivery.)

ARTIST’S PASSPORT

Dec. 28-31, 1 – 4 p.m. | Ages: 6-12 | Cost: \$155

Embark on an around-the-world cultural adventure! Explore far-off places, from America to Polynesia, and learn about the people who live there. Experiment with Crayola® products while practicing techniques developed by local artists and artisans.

Each secured Zoom session includes a guided project by a Crayola artist. Campers will complete original works of art using materials found around the house as well as items from the customized creativity kit delivered to their home. (Campers must register at least week in advance to ensure timely delivery.)
