

# American Society for Quality (ASQ) Certification Refreshers

## Overview

Corporate College® has partnered with American Society for Quality Cleveland Section 800 ([www.asqcleveland.org](http://www.asqcleveland.org)) to offer ASQ Certification Refresher courses that help prepare you for various certification exams. ASQ-certified professionals can see immediate results in terms of job promotions, higher salaries and new opportunities. ASQ certification serves as formal recognition of an individual's proficiency in and comprehension of a specified Body of Knowledge at a specific point in time.

## Highlights

- Internationally recognized credential
- Advance your career
  - Endorsed by more than 125 corporations
- Increase your salary
- Connect with like-minded professionals
- Additional source of professional/personal validation
