Welcome to Encore 55+ Learning at Cuyahoga Community College (Tri-C®).

For more than 40 years, Tri-C has been a premier provider of education to individuals 55 and older. The program continues to thrive due to our community’s desire for high-quality and affordable lifelong learning opportunities.

Last fall, more than 700 individuals participated in the Encore Campus Fridays program at our Eastern and Western campuses, and Neighborhood Scholars programming saw its highest enrollment to date.

We are fortunate to have a dedicated staff working behind the scenes to make your experience a positive one. Site facilitators are also available to answer your questions while on campus.

Our dedication to lifelong learning continues to expand as we bring Encore Campus Fridays to the Westshore Campus in Westlake this fall.

For more information, please visit tri-c.edu/encore or call 216-987-2274 to speak with an Encore team member.

We look forward to seeing you soon.

MEET THE ENCORE TEAM

For more than 40 years, Cuyahoga Community College (Tri-C®) has been a premier provider of education to individuals 55 and older.

The Team

Encore 55+ Learning offers both on- and off-campus experiences to enhance learning opportunities and community engagement.

Encore Campus Fridays provides a unique academic learning environment focused on encouraging dialogue and developing relationships among individuals with common interests. There is no homework, tests or quizzes. Our instructors include Tri-C staff, retired educators and professionals from history, literature, science, arts and entertainment, business, health and wellness and more. Students can register for one to six courses per session, per campus for a single registration fee of $99.

Neighborhood Scholars programming is made possible in cooperation with community partners across Greater Cleveland. Discover local museums through the Cleveland Museum of Art Series and Coffee With a Curator sessions. You can also explore familiar (and some not-so-familiar) places in the Greater Cleveland area, including restaurants and places of worship.

Our team is available to speak with you Monday through Friday, 8 a.m. – 4:30 p.m.
Please call 216-987-2274 or email encore@tri-c.edu.

Part II Docent Tour: "Michelangelo: Mind of the Master"

The name of the Italian Renaissance painter, sculptor, and architect Michelangelo Buonarroti (1475-1564) is synonymous with creative genius and virtuosity. This exhibit presents an unprecedented opportunity for museum visitors to experience the brilliance of Michelangelo’s achievements on an intimate scale through more than two dozen original drawings. His genius is evident through his breathtaking draftsmanship of sheets filled with multiple figures and close studies of human anatomy.

These drawings demonstrate Michelangelo’s inventive preparations for his most important and groundbreaking commissions, including the Sistine Chapel, sculptures for the tomb of Giuliano de’ Medici, and the dome of Saint Peter’s Basilica. A second and complementary exhibition drawn from the museum’s collection will be "Master/Apprentice: Imitation and Inspiration in the Renaissance."
