

Neighborhood Scholars takes Encore into the community with off-campus courses and tours presented in cooperation with community partners. These are one-time or short-series opportunities held throughout Greater Cleveland.

- Held various weekdays, Monday through Thursday.
- All Neighborhood Scholars participants must register at least three days before the class starts.
- Dates and times are subject to change.
- Parking is located at each Neighborhood Scholar session.

Understanding Fake News: How to Identify and Avoid Misinformation

In an age of constant information, separating fact from fiction has never been more important. This engaging and practical class explores what fake news really is, how it spreads, and its impact on society. Learn the skills to critically evaluate news sources, recognize misinformation, and verify facts like a pro. Through step-by-step strategies, case studies, and interactive discussions, you'll gain the tools needed to navigate the digital landscape with confidence and avoid falling for fake news.
