1. Based on your stated outcomes and assessment plan, what did you learn?

2. Did you achieve your intended outcomes?

a. If yes, please describe how you achieved your outcomes.

b. If no, please reflect (i.e. What might you do differently next time? What did not go the way you planned? What's next)?

3. What changes will you make in your course(s) as a result of your FIG?

4. What would you share with your colleagues about this experience?

5. Would you suggest the College further explore your FIG for broader implementation (why or why not)?
