

Name: _____ Date: _____

Proposal Title: _____

1. **Description of the innovation:** What new tools, resources, or techniques did you implement?
2. **Learning takeaways:** Based on your stated outcomes and assessment plan, what did you learn?
3. **Outcomes:** Did you achieve your intended outcomes?
4. **Assessment and Metrics:** What improvements did you observe in student learning? How did you measure the success of the project (what metrics did you use)?
5. **Challenges:** What obstacles did you encounter and how did you address them? What might you have done differently? What did not go the way you planned?
6. **Future:** What changes will you make in your course(s) because of your FIG? Is this innovation sustainable?
7. **Sharing:** What would you share with your colleagues about this experience?
8. **Replicability and/or Scalability:** Would you suggest the College further explore your FIG for broader implementation (why or why not)?
9. **FIG Experience Feedback:** How did participating in this FIG project impact you professionally? What feedback would you provide about the process? Did you have the appropriate support needed for this project?
