

On Demand Workshops

INSTRUCTIONAL DESIGN & LEARNING EXCELLENCE

The Instructional Design Team has a variety of workshops available to support faculty.

Learn how to:

- Strengthen your course design
- Implement technology tools
- Engage your students
- And more!

Our on-demand workshops are available anytime, anywhere:

[ACTION! How to Improve Student Success in Synchronous Classes - CLE1360](#)

[Assessment Safari - CLE1343](#)

[AT-What? Acing the ATC - CLE1329](#)

[Digitize Your Whiteboard with Rocketbook Beacons - CLE1338](#)

[Synchronous Online Teaching Strategies - CLE1293](#)

[Modifiable Math Problems in Microsoft Word - CLE1366](#)

[Yo Ho, Yo Ho, Course Mapping Is for Me! On Demand - CLE1367](#)

For a complete list of our current workshops, check out the [Faculty Development Calendar!](#)

Looking for individualized support?

Set up a [virtual consult](#) with an Instructional Design Team Member!

In-person consults can be scheduled via email with the [Instructional Design Team](#) at your campus.
