

## Ohio Desk/Don Pilch Endowed Scholarship Fund

The **Ohio Desk/Don Pilch Endowed Scholarship Fund** was established in honor of Don Pilch, a valued former sales manager for Ohio Desk who was known for his enthusiasm, friendship and warmth.

Ohio Desk is Northeast Ohio's leading provider of premier workplace solutions including custom interior design services, move and asset management, furniture and architectural products, and rental services.

Since 2008, this scholarship has supported students enrolled in nursing or other health career programs at Cuyahoga Community College.

### *Meet some of our most recent scholarship recipients:*

*"I've wanted to be a nurse for a very long time. People just need someone — no matter how short the interaction may be — to support them and believe in them, especially at their lowest point. I want to be that person who makes a difference in someone's life. Thank you for choosing me for this scholarship."*

— Hope

*"Thank you very much for the generous award. My goal is to graduate in December 2021 with an associate degree in radiography. This scholarship gives me peace of mind knowing that I will be able to afford college, and even gas money to be able to get to school."*

— Alisha

*"I'm in the nursing program at Tri-C. This scholarship will assist me with necessities including technology required for virtual learning, nursing supplies, transportation and personal finances. It means a lot to me that Tri-C strives to help their students be the best that we can be. I will forever appreciate this investment in my future."*
