

Cuyahoga Community College Foundation Mission

To provide resources for advancing student success at Cuyahoga Community College and to transform the lives of those Tri-C serves.

Vision

To ensure Tri-C has the resources needed to help every student learn, thrive and succeed and to create a prosperous community for all.

Values

The Tri-C Foundation achieves its mission and vision through actions that exemplify and promote:

Student Centricity: We honor the unique and individual journey of every Tri-C student; and seek to reduce barriers and create a robust student experience. By securing resources to support students' success and fulfillment, we empower them to meet their highest personal and professional goals.

Inclusion: As champions for racial and social justice, we embrace, respect, include and seek to understand all dimensions of diversity represented at Tri-C. We strive to create equity in access and opportunity so that all students, regardless of race or economic standing, can succeed at optimal levels.

Trust: Our work is conducted with empathy, integrity, and benevolence. We respect the resources entrusted to our care by our donors and partners, and we honor this trust through professional administration, prudent financial stewardship, and transparent communication.

Partner Engagement: We are committed to filling the gap between what is and what should be. To that end, we seek out effective and mutually beneficial partnerships to advance the College and the broader community. We stand ready, willing and able to partner with those who align with our mission, vision, and values.
