#### SAMPLE MESSAGES:

More than 85% of Tri-C graduates live and work in NE Ohio. I give to Tri-C because an investment in the College is an investment in our region. Support Tri-C Day and give the gift that gives back: [tri-c.edu/tricday](https://tri-c.edu/tricday)

I give to Tri-C because access to an affordable college education is important. Let's keep Tri-C's tuition the lowest in the state by supporting #TriCDay today: [tri-c.edu/tricday](https://tri-c.edu/tricday)
