Each scholarship awarded contributes to the quality of life for all by providing a stronger workforce for the region.

The Cuyahoga Community College Foundation was chartered in 1973 as a 501(c)(3) charitable organization and is dedicated to the idea that Tri-C is “where futures begin.” The mission of the Foundation is to pursue funding opportunities for scholarships and educational program development and enhancement for Tri-C. Donors to the Tri-C Foundation help students embrace lifelong learning as the way to a better future.
