

# Add an Interactivity by WeVideo Link in Brightspace

## Interactivity by WeVideo

Interactivity by WeVideo is used to embed activities to transform a passive video into an active and gradable experience for your students.

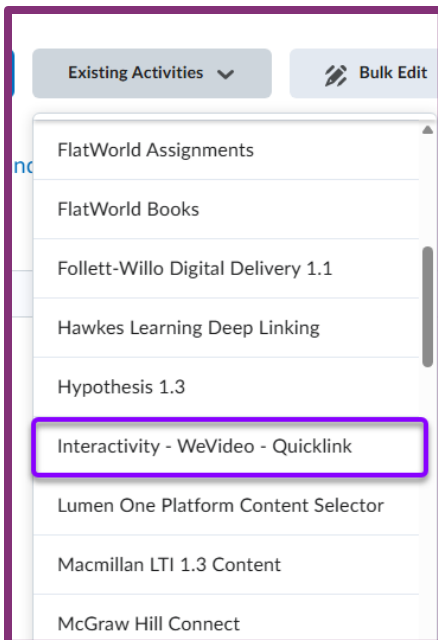

## Adding an Interactivity link in Brightspace

**Step 1: In the course and module you desire, select Existing Activities.**

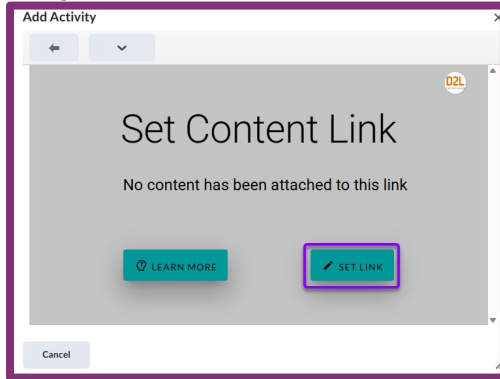

### Step 2: Select Interactivity – WeVideo - Quicklink

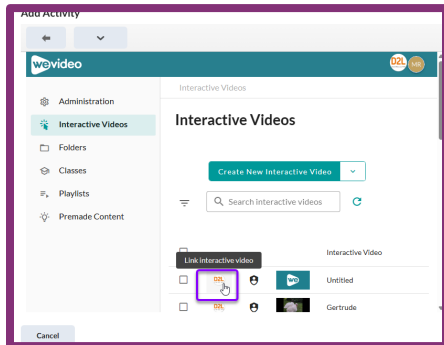

You can scroll down or expand the box to show all your Interactive Videos [formally Bulbs].

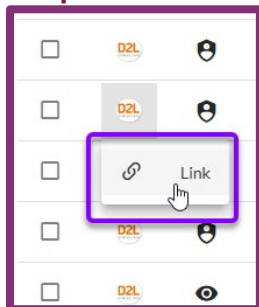

### Step 3: Select Set Link

### Step 4: Create a new Interactive Video or select the D2L circle of an existing one to link Interactive Video.

### Step 5: Select the pop-up Link option.

## Step 6: Set your parameters and select Set Link.
